

WELCOME FROM THE PRESIDENT

Welcome to Eastern Washington University! Whether you are a new student or returning, I want each of you to know that I am very pleased you have chosen EWU to pursue your degree. We pride ourselves on small class size and making personal connections with our students because we believe it will positively impact your educational experience. I personally care a great deal about your success and very much look forward to the day when I can shake your hand as you cross the stage at graduation.

Before that day comes, you will have the opportunity to make many choices. I strongly encourage you to become familiar with the many different types of activities we offer our students. From our many clubs to athletic events, participation in these activities will greatly enhance your college experience and your development toward future citizenship and engagement.

For those of you who are interested in hands on learning among your peers, our Academic Success Center is here to provide you with a variety of tools that will support your success in the classroom. The Program Leading to University Success (PLUS) is designed to assist you in achieving your academic goals through study groups facilitated by upper-level students. These upperclassmen have a sincere interest in your well being and are eager to help you actively learn. The Center, located in Monroe Hall 111, also offers advising and career preparation information, along with assistance for those of you who may be considering going on to graduate school.

Through our many programs and services, whatever your educational goal, we are here to ensure that your academic journey is both rewarding and enjoyable. My promise to you is that we are committing our efforts to ensure that you excel in the classroom, in your career and in your community.

I hope you have a most outstanding experience at Eastern Washington University this year. I am excited to share this journey with you. Go Eagles!

Your president,

A handwritten signature in black ink that reads "Rodolfo Arévalo". The signature is written in a cursive, flowing style.

A HISTORY OF EASTERN WASHINGTON UNIVERSITY

More than 100 years ago, with a contribution of \$10,000, the wealthy transportation industrialist Benjamin Cheney helped the citizens of the local community fulfill their dream of an institute of higher learning. The Benjamin P. Cheney Academy opened its doors to more than 200 students in 1882.

The academy became the State Normal School at Cheney in 1889, the same year that Washington gained statehood. The school was proudly designated as an institution “for the purpose of instruction of persons, both male and female, in the art of teaching the various branches that pertain to a good common school.”

The school was a fully accredited four-year degree-granting institution, offering majors in numerous subjects, when it became Eastern Washington College of Education in 1937.

The campus grew rapidly in size and program offerings in the decades following World War II and in 1961, reflecting these changes, was renamed Eastern Washington State College. As the regional needs for professionals in many fields grew, Eastern added a wide range of undergraduate and graduate degree programs. In 1977, the state legislature changed the school’s name to Eastern Washington University.

Since its inception as a teacher’s academy more than 120 years ago, Eastern has steadily responded to the higher education needs of the Inland Northwest. Today Eastern provides career preparation in diverse fields including business, technology and health care, education for civic and community leadership and engagement in the fine arts.

As a leader in the life and culture of the region, Eastern enrolls students from nearly every state in the union and more than 20 countries. The diversity and vitality of the university community has as its foundation a talented and dedicated faculty. Three-quarters of Eastern’s full-time faculty hold doctoral degrees. Maintaining a student-to-faculty ratio of approximately 19:1, Eastern continues to offer small classes, personalized instruction and individual attention.

As the higher education provider of choice for more than 10,800 students, Eastern Washington University is a major force in the civic, cultural, scientific and economic development of the state and region.

LOCATIONS FOR EASTERN

CHENEY

Eastern Washington University, 526 5th Street, Cheney, WA 99004: EWU is located in an Inland Northwest region known for its scenic beauty and impressive array of recreational and entertainment activities. The university is situated on a 300-acre residential campus in Cheney, in close proximity to Spokane, a metropolitan area of more than 417,000 people, located 275 miles east of Seattle. Spokane is the heart of a region that offers students extensive opportunities for internships, research and collaboration with industries, businesses, agencies and schools. EWU has facilities at the Riverpoint Higher Education campus, that is a 25-minute drive from Cheney. Maps are inside the back cover of this catalog.

EWU SPOKANE, RIVERPOINT HIGHER EDUCATION PARK FACILITIES

TUITION, FEES AND REFUNDS

See the following website for the most current information www.ewu.edu/sfs.

If you have questions or concerns, call Student Financial Services at 509.359.6372.

Tuition and other registration fees are due on the sixth day of classes each quarter.

Graduate tuition is assessed only to students who are formally admitted to a graduate program by the 10th class day of the quarter.

Residency: Residency is determined at the time of formal admission to the university on the basis of information included in the university application for admission. Determination of residency is governed by the statutes and policies of the State of Washington. In general, to qualify for residency, a student must:

- have established a formal residence in Washington for other than educational purposes for at least 12 consecutive months prior to the first day of the quarter for which residency status is requested;
- or be a dependent student whose parent(s) or legal guardian(s) have maintained a bona fide residence in Washington 12 consecutive months prior to the first day of the quarter. For more information, see Appendix C in the back of this catalog.

TUITION PAY (PAYMENT OPTIONS)

Student Financial Services Office is pleased to offer 8, 9 and 10 month payment plans interest free! The plan is available through Tuition Pay. More information is available at www.ewu.edu/sfs and clicking the "Payments" link. This "pay-as-you-go" alternative to lump-sum payments is popular among students and parents.

For questions, additional information or assistance in completing an enrollment form, call Tuition Pay at 1.888.664.6082 for help from a Tuition Pay specialist. Website: www.tuitionpay.com.

THIRD-PARTY BILLING

Students who are sponsored by a third party may request billing to the sponsor for tuition, fees and other related educational expenses.

Sponsor invoicing occurs once per term. Sponsor payments must be received for the current term in order for students to be eligible to continue enrollment in subsequent terms.

In any sponsor billing arrangement, the student is ultimately responsible for payment of university charges. If a sponsor fails to pay any amounts invoiced, those original charges are returned to the student account with appropriate late payment penalties assessed.

Students or sponsors may request sponsor billing by mailing a signed billing authorization form to the following: Student Financial Services, ATTN: Third-party Billing, 202 Sutton Hall, Cheney, WA 99004.

Complete arrangements for sponsor billing must be made prior to the statement due dates to prevent late payment penalties. For assistance, call Student Financial Services, 509.359.6372.

The Office of Admissions assists prospective undergraduate students and their families with the application process. Eastern's outstanding academic programs, faculty and facilities are part of a diverse university community that attracts students from places near and far. To learn about the advantages of an Eastern education contact the Office of Admissions.

Application Information:

Undergraduate applicants are reviewed individually. Each category of undergraduate applicant—freshmen, transfer, international, adult learners, post-baccalaureate and returning Eastern students has specific admission requirements. Review the information and definitions of each category carefully.

An undergraduate admissions application may be accessed at www.ewu.edu/apply both online and as a PDF. The online application is recommended for speed of processing and reply time.

Complete applications include official copies of all required transcripts, official **SAT or ACT** scores (if applicable), an insight resume (if applicable), and a \$50 non-refundable application fee and must be submitted to the Office of Admissions, 101 Sutton Hall, Eastern Washington University, Cheney, WA 99004-2447.

Eastern Washington University reserves the right to change admissions policies and deadlines without notice.

ADMISSION REQUIREMENTS AND CRITERIA

FRESHMAN ADMISSION

A freshman applicant for the purposes of admission is defined as a student who is:

- currently in high school
- a high school graduate or equivalent without post-high school transferable college credit **or**
- a current high school student with Running Start credits

All freshmen applicants must submit:

- a completed application for admission including the insight resume (www.ewu.edu/insightresume);
- an official high school transcript or official **GED** test scores;
- a college transcript of any courses completed while in high school;
- official **SAT or ACT** scores submitted directly from the testing agency or recorded on an official high school transcript;
- a non-refundable \$50 application fee.

Freshmen applicants are admissible if they have a 3.3 cumulative high school grade point average and have completed the following College Academic Distribution Requirements (CADRs). The minimum CADR credits required for admission to Eastern are:

English • 4
Mathematics • 3 (including Algebra I, II and Geometry or equivalents)
Social Science • 3
Sciences • 2 (one laboratory science and one algebra based science)
World Languages • 2 (in a single language including ASL)
Fine Arts • 1 (or additional year from above CADR areas)

Students are encouraged to complete more than the minimum CADR requirements. The Higher Education Coordinating Board provides guidelines of acceptable high school courses that meet these requirements as reported by each high school. Check with a high school counselor or an admissions representative if there are additional questions.

TRANSFER ADMISSION

A transfer student for the purposes of admission is defined as a student who has:

- graduated from high school and is currently enrolled in a two-year or four-year institution with course work transferable to Eastern; **or**
- transferable college-level credit earned after high school graduation

All transfer applicants are required to submit:

- a completed application for admission including the insight resume (www.ewu.edu/insightresume);
- official high school transcripts or official **GED** test scores (if transferring with less than 40 quarter credits);
- official transcripts from every two-year or four-year institution attended;
- official **SAT or ACT** scores (if transferring with less than 40 quarter credits);
- a non-refundable \$50 application fee.

At the time of application to Eastern, transfer applicants are evaluated for admission in one of two ways:

1. Transfer applicants with less than 40 quarter hours of transferable college credit at the time of entry must:
 - satisfy the aforementioned freshmen admission criteria and have a 2.0 cumulative **GPA** in all transferable college-level courses
2. Transfer applicants with 40 or more quarter hours of transferable college credit at the time of entry must:
 - show a minimum 2.5 cumulative **GPA** in all transferable college-level course work **or**
 - show a minimum 2.0 cumulative **GPA** in all transferable college-level course work and completion of college-level English and intermediate algebra

Note: Acceptance into many majors requires **GPAs** above 2.0, prerequisite courses, service experiences and/or a separate application. Contact the appropriate department for details.

POST-BACCALAUREATE ADMISSION

A post-baccalaureate student is defined for purposes of admission as any applicant with an undergraduate degree from a regionally accredited institution who is seeking course work toward a second bachelor's degree, teacher certification or other course work that is not part of any Eastern graduate program. All post-baccalaureate applicants must submit official university or college transcripts documenting their undergraduate degrees.

Note: Acceptance into many majors requires a **GPA** above 2.0, prerequisite courses, service experiences and/or a separate application. Contact the appropriate department for details.

FORMER STUDENT ADMISSION

A former student is defined for purposes of admission as any applicant who was previously admitted and enrolled at Eastern and has been absent from the university for more than four quarters.

Former students are required to submit:

- a returning student application available at www.ewu.edu/apply;
- official transcripts from any two-year or four-year institutions attended since the last enrollment at Eastern;
- a non-refundable \$50 application fee.

ADULT STUDENT ADMISSION

An adult student for purposes of admission is defined as an applicant 25 years of age or older who meets neither the high school admission criteria nor the transfer admission criteria for students with fewer than 40 credits.

Adult applicants may be offered regular admission if they meet at least two of the following requirements:

- submit satisfactory scores on the **SAT**, **ACT** or other university-administered tests;

- submit a transcript showing the achievement of a 2.5 high school **GPA** or a passing score on the General Educational Development (**GED**) Certificate test;
- submit an essay demonstrating entry-level critical thinking and communication skills;
- present evidence of success outside the classroom and strong motivation to succeed at the university.

ADMISSION DEADLINES

Priority application dates are:

- February 15 for summer and fall quarters;
- October 15 for winter quarter;
- February 15 for spring quarter.

Decisions on fall admission are made beginning November 1, so early application is encouraged. Completed applications received after the priority dates are reviewed on a space available basis. Applications received after August 15 for fall term or within two weeks of the start of all other terms will be deferred for consideration until the next quarter.

Note: students who were academically dismissed from Eastern must apply for reinstatement to good academic standing. Petitions for Academic Reinstatement are available from the General Undergraduate Academic Advising website: [HTTP://ACCESS.EWU.EDU/ACADEMIC-ADVISING.XML](http://ACCESS.EWU.EDU/ACADEMIC-ADVISING.XML).

EXCEPTIONS TO ADMISSION CRITERIA

Eastern can admit up to 15% of all incoming freshmen who have not met CADR or fall below a 3.3 **GPA**. Students who are admitted without completing the high school core courses may be required to complete specific courses for college preparation or to satisfy Eastern graduation requirements. For example, a student deficient in high school foreign language may be required to complete foreign language at the 103 level at Eastern. Some students may be admitted with the condition that they complete a core course during the quarter prior to entering EWU. Students without **SAT** or **ACT** test scores may, at the discretion of the director of admissions, have the requirement waived.

GENERAL EDUCATION DIPLOMA

Eastern will accept the General Education Diploma (**GED**) in lieu of high school graduation. Applicants who have completed the General Education Diploma must have achieved a minimum score of 50 with no score lower than 45 in any subject area.

HOME SCHOOL STUDENTS

Home school applicants must present evidence of the completion of the **CADR**s or their equivalents or a **GED** as proof of high school completion.

STUDENT ATHLETES

Student athletes must meet the **NCAA** Clearinghouse requirements to be athletically eligible. For additional information, see WWW.NCAA.ORG or call 877.262.1492.

APPLICANTS TO EASTERN WITH RUNNING START CREDITS

Applicants with Running Start credits who are still in high school must meet all freshmen admission criteria as defined above and have a cumulative college **GPA** of 2.0 or better.

Applicants to Eastern who have enrolled in another college or university after high school graduation must meet all transfer admission criteria. In general, college credits earned by students through Running Start in the state of Washington are treated as transfer credits, as they are recorded on the official transcript of the college where the work was completed.

INTERNATIONAL STUDENT ADMISSION

An international student is defined as a student who is in the U.S. or planning to enter the U.S. for academic purposes and holds F-1 or J-1 immigration status.

International applicants will find helpful information about admissions and other student support services at WWW.EWU.EDU/INTERNATIONAL. The International Education Team will assist prospective students in determining the appropriate academic entry level based on their application materials and educational goals.

www.ewu.edu

International students are required to submit:

Official transcripts from all colleges and universities (both foreign and within the U.S.). Applicants whose foreign transcripts cannot be verified must submit documents to World Education Services or another evaluation service for evaluation and verification. Evidence of financial support or scholarship prior to receiving a visa eligibility document (Form I-20) from Eastern Washington University.

INTERNATIONAL ADMISSIONS REQUIREMENTS

- International Student Application: paper-based or apply online
- \$50 application fee
- Original financial statement (less than 6 months old)
- Photocopy of valid passport
- Photocopy of visa, if applicable
- Official evidence of English proficiency:
 - TOEFL
 - IELTS
 - U.S. College Composition course
 - or EWU ELI application
- Original, official transcripts for all high school and college/university course work from both inside and outside of the U.S. Evaluated transcript is required for any transfer credits from a non-U.S. university or college.
- International students interested in transferring credits from a foreign country are required to submit an evaluated transcript from an accredited evaluation agency and provide individual course descriptions in English of all courses requested for transfer to EWU. For a list of accredited agencies go to WWW.NACES.ORG.

APPLICATION DEADLINES FOR INTERNATIONAL APPLICANTS

- October 15 for winter quarter
- January 15 for spring quarter
- April 15 for summer quarter
- July 15 for fall quarter

An application for admission will be considered complete only when all of the required documents are received. Due to the time required to secure a student visa, students applying from outside the U.S. are encouraged to apply as early as possible. Submitting fraudulent documents will result in automatic denial of application and/or dismissal from Eastern Washington University.

ENGLISH LANGUAGE REQUIREMENTS FOR ADMISSION

International students who have English as their second language and who have not completed a transferable English composition course (with a minimum 2.0 grade) must submit one of the following official test scores:

- Test of English as a Foreign Language (TOEFL) score of at least 525 paper based, or 195 computer based, or 71 iBT;
- International English Language Testing System (IELTS) score of at least 6.0.

Applicants who do not meet these English language admissions requirements may be admitted to the university with the condition that they successfully complete a program of study with Eastern's English Language Institute (ELI). Students who wish to apply for conditional admission should submit an ELI application found at [HTTP://ELI.EWU.EDU](http://ELI.EWU.EDU) in addition to the admission requirements stated above.

GRADUATE ADMISSION

For information about graduate programs and admission requirements, please see the information in this catalog under Graduate Admission, visit WWW.EWU.EDU/GRAD or call the Graduate Studies Office in 206 Showalter Hall, 509.359.6297.

RUNNING START ADMISSION

Admission to Running Start: Eastern is recognized as a Running Start institution by the Washington Department of Education. Eligible high school students may enroll in courses at EWU on a full- or part-time

basis to meet high school requirements and earn college credit. Students must meet the minimum admission criteria, which may include **SAT** or **ACT** scores. Students interested in enrolling in Running Start through Eastern should contact their high school guidance office or the Running Start Coordinator at Eastern Washington University at 509.359.6155.

TRANSFER AGREEMENTS

Eastern participates in direct transfer agreements with community colleges in the state of Washington, Oregon, and select colleges in other states. Graduates of these colleges who complete a direct-transfer associate degree are admitted to Eastern with junior standing and have satisfied the lower division general education requirements.

INTERCOLLEGIATE (ICAO POLICY)

Students transferring to Eastern Washington University from a Washington public baccalaureate institution who have official documentation certifying completion of all the lower division general education requirements from the sending institution have satisfied Eastern's general education requirements and university competencies and proficiencies. These are described in the sections titled, "Core Requirements and University Competencies and Proficiencies" and are shown in the shaded portion of the diagram "The Undergraduate Degree."

TRANSFER CREDIT AND EVALUATION OF OTHER FORMS OF COLLEGE CREDIT

Transfer credit is generally awarded for courses completed at regionally accredited two-year or four-year institutions. When determining transferable credit, Eastern adheres to the standards and practices of the American Association of Collegiate Registrars and Admissions Officers. Questions about the transferability of credits completed at institutions that are not regionally accredited should be directed to the Office of Admissions.

Eastern Washington University will accept in transfer toward a bachelor's degree no more than 90 lower-division credits. After a student has been admitted to a university major, additional lower-division credit may be allowed when:

1. the additional credit will advance the student toward degree completion and
2. the smallest unit responsible for the student's degree approves a petition filed by the student to allow more than 90 lower-division credits.

No more than 135 credits (lower- or upper-division) may be accepted in transfer for a bachelor's degree. Transfer credit shall be accepted for upper-division credit only when earned at an accredited four-year, degree-granting institution as upper-division credit.

Advanced Placement: Credit for minimum scores on Advanced Placement examinations given by the College Board is awarded upon receipt of official score reports. Official scores should be submitted to the Office of Admissions. See the "Sources of Credit" list immediately following this section of the catalog for current score requirements and corresponding credits awarded.

College in the High School Credits: Applicants with credits earned through College in the High School programs must meet freshmen admission criteria. College in the High School courses will be accepted as transferable college credit if they are from a regionally accredited college or university and are consistent with Eastern's general transfer credit policy.

College-Level Examination Program (CLEP): Eastern Washington University will award credit for CLEP tests. Acceptability of credits toward major requirements or general education requirements is determined by the appropriate department. See the Sources of Credit list that immediately follows this section of the catalog for current score requirements and corresponding credits awarded.

Experiential Credit: For information on evaluation of experience for credit, see the information under Interdisciplinary Studies in the alphabetical academic program listings in the center of the catalog or contact Interdisciplinary Studies, 300 Senior Hall, EWU, Cheney, WA 99004-2442; phone 509.359.2402.

Foreign Educational Credentials: Students interested in information about credit awarded for selected foreign educational credentials should contact the Office of Admissions.

International Transfer Students: International students interested in transferring credits from a foreign country should submit an evaluated transcript from an accredited evaluation agency and provide individual course descriptions in English of all courses student plans to transfer to EWU. For a list of accredited agencies go to [HTTP://WWW.NACES.ORG](http://www.naces.org).

International Baccalaureate: Eastern Washington University will award credit for Higher Level International Baccalaureate exam results of "5" or better. Acceptability of credits toward major requirements, or General Education Core Requirements (**GE**CRs) is determined by the appropriate department. See the Sources of Credit list that immediately follows this section of the catalog for current score requirements and corresponding credits awarded.

Military Credits: Students may earn up to 45 quarter hours of credit for military educational experiences. This includes credits awarded for **CLEP/DANTES** tests. Note: Any student pursuing a bachelor of arts in Interdisciplinary Studies (Prior Learning Option) will not be awarded more than 90 quarter hours in credit from a combination of military experience and prior learning block credit. See the information on Interdisciplinary Studies in the alphabetical listing of programs in the center of the catalog.

Veterans: College credit may be awarded for military service time. Veterans are encouraged to submit a photocopy or true copy of military separation, DD-214, or an equivalent document for credit evaluation.

PLACEMENT AND CLEARANCE EXAMS

Admitted freshman and transfer students may be required to complete placement tests in mathematics and English composition. See the **policy on enrollment in pre-university skills courses** at the end of this section.

EXAMINATION REQUIREMENTS:

Students must complete a mathematics placement exam if they have not completed the equivalent of MATH 104B with a 2.0 or better. Transfer students who do not have an approved direct-transfer associate degree or an intermediate college algebra course with a grade of at least 2.0 must take the mathematics placement test. English composition placement is based on a student's **SAT or ACT** test scores if the student has not completed at least one composition course at a college or university.

Note: the mathematics placement test may be taken twice in a calendar year with at least two weeks between test times.

COMPUTER LITERACY

Computer literacy clearance must be achieved by all students to earn a baccalaureate degree.

Specific information on what is covered in the challenge exams as well as exam procedures and dates are posted at: **COMPUTERLITERACY.EWU.EDU**

COMPUTER LITERACY COMPETENCY

- is demonstrated by successful completion of the clearance examination or completion of CPLA 100 *Computer Literacy I* (1) with a "P" grade and CPLA 101 *Computer Literacy II* (1) with a grade of at least 2.0 or completion of CPLA 120 (5) with a grade of at least 2.0.

Note: CPLA 100 does not count toward university graduation requirements.

Note: The following students must complete the computer literacy requirements:

- all incoming students without a direct transfer associate degree or a previous bachelor's degree.
- all students in programs requiring CPLA 100, 101 or 120, including students with direct transfer associate degrees.
- all students with course requirements having CPLA 100, 101 or 120, including students with direct transfer associate degrees.

ENGLISH COMPOSITION

English composition competency and proficiency must be demonstrated by all students to earn a baccalaureate degree.

For more information, contact the English Composition Program, 509.359.7064.

ENGLISH COMPOSITION COMPETENCY

- is demonstrated by placement into ENGL 201 *College Composition: Analysis, Research and Documentation* based on the placement test score or by submission of an official transcript showing completion of ENGL 101 *College Composition: Exposition and Argumentation* or its equivalent, at a post-secondary institution with a grade of 2.0 or better. Students placed into ENGL 100 *Fundamentals of English Composition*, or ENGL 101 *English Composition or College Composition*, must complete ENGL 100 with a grade of "P" and ENGL 101 with a grade of 2.0 or better before proceeding to the next level of English. ENGL 100 does not count for college credit.

ENGLISH COMPOSITION PROFICIENCY

- is demonstrated by completion of ENGL 201 *College Composition: Analysis, Research, and Documentation* or by submission of an official transcript showing completion of ENGL 201 or its equivalent, at a postsecondary institution with a grade of 2.0 or better. English Composition Proficiency should be completed as soon as possible because some courses require English 201 as a prerequisite.

MATHEMATICS

Mathematics competency and proficiency must be demonstrated by all students to earn a baccalaureate degree.

MATHEMATICS COMPETENCY

- is demonstrated by placement into any math course above MATH 104B *Intermediate Algebra*, based on the placement test scores or by submission of an official transcript showing completion of MATH 104B, or its equivalent, at a postsecondary institution with a grade of 2.0 or better. Students placed into MATH 103A & B *Basic Algebra for College Students* or MATH 104A & B *Intermediate Algebra*, must complete the course with a grade of 2.0 or better before proceeding to the next level of Mathematics. MATH 103A & B and 104A & B do not count for college credit. Mathematics competency must be completed before 45 credits are earned.

MATHEMATICS PROFICIENCY

- is demonstrated by placement into MATH 161 *Calculus I* based on the placement score or by submission of an official transcript showing completion of MATH 161 or its equivalent, at a postsecondary institution with a grade of 2.0 or better. Students placed into MATH 105 *Precalculus I* or its equivalent may obtain mathematics proficiency by completing one of the following requirements with a grade of 2.0 or better: MATH 115; both MATH 105 and 106; both MATH 211 and 212; MATH 200; MATH 301 or MATH 380. Specific mathematics requirements apply to various majors. Please consult an advisor when deciding which math courses to complete. Mathematics proficiency must be completed before 90 credits are earned. Additional course work beyond mathematics proficiency may be required to complete the major program requirements.
- transfer students with an approved direct-transfer associate degree have met the mathematics competency and proficiency requirement but may need to complete additional math requirements for their major.
- transfer students who enter the university with 40 quarter credits or more must complete both mathematics competency and mathematics proficiency within three quarters of admission.

POLICY ON ENROLLMENT IN PRE-UNIVERSITY SKILLS COURSES

Students whose placement testing places them in pre-university skills courses must enroll in at least one such course (5 credits) per quarter until these course requirements are satisfied. Furthermore, all students so placed must complete all pre-university mathematics, English and computer literacy courses before the completion of 45 university course credits. Failure to do so will result in a hold on subsequent registration until a plan to satisfy the pre-university requirements is accepted and has been signed off by their advisors. Students who have declared their majors will work with their advisors in their academic departments. Students who are undeclared will work with advisors in General Undergraduate Academic Advising. Students will need adequate advising to remain in compliance with this policy. Unavailability of these courses, as certified by your academic advisor in a given quarter, suspends this requirement for that quarter.

PRE-UNIVERSITY BASIC SKILLS INCLUDE: CPLA 100; ENGL 100, MATH 100, 101, 102, 103A & B (was MATH 101 prior to fall, 2003), MATH 104A & B.

THE UNDERGRADUATE DEGREE

General requirements for the baccalaureate degree at Eastern include all of the following:

Minimum Credits

180 CUMULATIVE CREDIT HOURS;
(credits earned in MATH 100, 101, 102, 103AB, 104AB and 199, CPLA 100 and ENGL 100 **DO NOT COUNT** toward the 180 cumulative credits).

60 upper-division credits (300 level or above)

45 credits in residence (attendance) at Eastern, with at least 15 upper-division credits in major in residence at Eastern.

Minimum GPAs

2.0 CUMULATIVE GPA

for Eastern Washington University course work.

for all General Education Core Requirements and University Graduation Requirements.

in major program, subject to departmental requirements.

in minor program, subject to departmental requirements.

General Education Requirements

Note: general education and graduation requirements are waived for a student possessing a baccalaureate degree from an accredited institution who wishes to obtain an additional undergraduate degree from Eastern.

All Eastern Washington University students are expected to acquire a liberal education. Eastern defines liberal education to include: Intellectual skills and habits of mind necessary to the pursuit and transmission of knowledge.

- A broad understanding of the history, institutions and traditions that most profoundly influence our social, political, economic, aesthetic and scientific lives.
- Specialized knowledge in a discipline (major).

EWU has designed the General Education Curriculum for the purpose of preparing students with the skills, habits of mind and breadth of subject matter that characterize an educated person. Through this curriculum, Eastern ensures that all students encounter the core academic disciplines, especially as they apply to major questions of our times.

UNIVERSITY COMPETENCIES AND PROFICIENCIES

Refer to the department/program listing for recommended computer literacy, English composition and mathematics courses.

COMPUTER LITERACY

The computer literacy competency requirement may be satisfied by, successful completion of a computer literacy examination **or** completion of the course (or courses) required as a result of the computer literacy examination with a minimum grade of 2.0.

These courses may be •

CPLA 100 Computer Literacy I (1) (graded pass/no credit only)
and CPLA 101 Computer Literacy II (1)
or CPLA 120 Computer Applications Literacy (5).

Credit for CPLA 100 does not count toward total graduation credits.

All students must complete •

ENGL 201 College Composition: Analysis, Research and Documentation (5)
or its transferable equivalent with a minimum grade of 2.0.

ENGLISH COMPOSITION

Students may be placed into English Composition courses by several means.

All Running Start students must take the English Composition Program's Writing Placement Test to determine their placement. Students may be placed using their **SAT** critical reading (formally verbal) scores, their **ACT** English scores, or their **TOEFL** scores, if available. Students who do not have an **SAT** critical reading score, an English **ACT** score, or a **TOEFL** score and who did not complete the English Language Institute (ELI) program must take the Writing Placement test to determine placement. Transfer students may be placed into a course if they have transferred equivalent composition courses to Eastern. Finally, they may take the Writing Placement test if they do not have test scores and have not transferred any composition credits. (For A.P. credit see page 21 of the catalog.)

SAT CRITICAL READING SCORES

- 440 or below must meet with a general academic advisor to determine placement
- between 450 and 590 will be placed in ENGL 101
- 600 and above will be placed in ENGL 201

ACT ENGLISH SCORES

- 17 or below must meet with a general academic advisor to determine placement
- 18-27 placed in ENGL 101
- 28 or above placed in ENGL 201

TOEFL SCORES

All students must have a 525 or above on the TOEFL exam.

- below 67 on the paper based test, or below 29 on the internet-based test, placed in ENGL 112
- at or above 67 on paper based test, or 29 and above on the internet based test, the student will be placed in ENGL 101

MATHEMATICS

The general education mathematics proficiency requirement may be satisfied by any one of the following

Students who need additional math development may be required, on the basis of the math placement test results, to complete

placement into MATH 161 Calculus I, as a result of the math placement test successful completion of the Mathematical Reasoning Exam **or** completion of any of the following courses or its transferable equivalent with 2.0 minimum grades:

MATH 106 Pre-Calculus II (5)
MATH 115 Mathematical Reasoning (5)
MATH 161 Calculus I (5)
MATH 200 Finite Mathematics (5)
MATH 211 and MATH 212 Structure of Elementary Mathematics I and II (5, 5)
MATH 301 Discrete Mathematics (5)
MATH 380 Elementary Probability and Statistics (5)

MATH 103 A & B Basic Algebra for College Students (5)
and/or MATH 104 A & B Intermediate Algebra (5) with a minimum grade of 2.0.

Credits for MATH 100, 101, 102, MATH 103 A & B, MATH 104 A & B and MATH 199 do not count toward total graduation credits.

GENERAL EDUCATION CORE REQUIREMENTS (GECRS)

All students without an approved Direct Transfer Agreement (DTA) degree must complete eight general education core requirements (**GECRS**) totaling at least 36 credits. *A requirement can be completed by a single approved course of no fewer than 3 credits.* These courses are designed to provide introductory knowledge, intellectual skills and habits of thought found in the core disciplines of the humanities and fine arts, the social sciences and the natural sciences. Students must complete two **GECR** courses from one breadth area and three **GECR** courses from each of the other two breadth areas below for a total of eight **GECR** courses. Students should complete university competencies and proficiencies prior to completion of the **GECRS**. Individual courses may require specific prerequisites. Check the catalog course descriptions for more information.

HUMANITIES AND FINE ARTS (2 OR 3 COURSES)

Students must choose one course per list from each of two or three lists below.

Note: HUMN 290 *Arts and Ideas*, may be used to satisfy List 1, 2 or 3 and typically is only offered summer term.

List 1: Literature	ENGL 170 Introduction to Literature (5) GNML 212 Modern World Masterpieces (5) HUMN 210 Classics in Literature (5) HUMN 211 Masterpieces of the Western World (5) HUMN 290 Arts and Ideas (5) SPAN 170 Introduction to Literature (5)

List 3: Philosophy and Reasoning	FINC 200 Personal Finance: Philosophy and Practice (4) HUMN 215 Introduction to Religion (5) HUMN 270 Great World Views (5) HUMN 290 Arts and Ideas (5) PHIL 210 Critical Thinking (5) PHIL 211 Introductory Philosophy (5) PHIL 212 Introductory Ethics (5) PHIL 213 Moral Issues in America (5)
Honors: (Open only to admitted Honors Program students.)	HONS 101 The Intellectual Tradition: The Ancient World (8) (counts as 1 Humanities GECR ; 1 Social Science GECR) HONS 102 The Intellectual Tradition: Middle Ages through the Reformation (8) counts as 1 Humanities GECR ; 1 Social Science GECR

SOCIAL SCIENCES (2 OR 3 COURSES)

Students must choose one course per list from each of two or three lists below.

List 1: Economics and Government	ECON 100 General Education Economics (5) ECON 200, Introduction to Microeconomics and ECON 201 Introduction to Macroeconomics (10) (counts as 1 GECR course) GOVT 100 Modern Government in an American Context (5)
List 2: Anthropology, Geography, Psychology and Sociology	ANTH 101 Cultural Anthropology (5) CEDP 201 Life Span Development (4) CMST 208 Mass Media and the Information Society (5) GEOG 101 Fundamentals of Human Geography (5)* PSYC 100 General Psychology (5) SOC 101 Introduction to Sociology (5)
List 3: History	HIST 105 Western Heritage: Origins to the 18 th Century (5) HIST 106 Western Heritage: 18 th Century to the Present (5)* HIST 110 The American Experience: A Survey (5)* MGMT 200 Business History in the U.S. (4)
Honors: (Open only to admitted Honors Program students.)	HONS 101 The Intellectual Tradition: The Ancient World (8) (counts as 1 Social Science GECR ; 1 Humanities GECR) HONS 102 The Intellectual Tradition: Middle Ages through the Reformation (8) (counts as 1 Social Science GECR ; 1 Humanities GECR) HONS 103 Modern Science and Society (8) (counts as 1 Social Science GECR and with HONS 104 Honors Natural Science Lab (1) counts as 1 Natural Science GECR)

NATURAL SCIENCES* (2 OR 3 COURSES)

Students must complete courses from at least two of the lists below.

Biology	Students may choose one of the following: BIOL 100 Introduction to Biology (5) BIOL 115 Investigating Biology (5)*
Chemistry	Students may choose the following: CHEM 121 Chemistry and its Role in Society (5)
Environmental Science	Students may choose the following: ENVS 100 Introduction to Environmental Science (5)
Geography	Students may choose one of the following: GEOG 100 Fundamentals of the Physical Environment (5) GEOG 204 Atmospheric Environment (5)
Geology	Students may choose one of the following: GEOL 100 Discovering Geology (5) GEOL/GEOG 115 Investigating Earth Science (5)* GEOL 120 Physical Geology—The Solid Earth (5) GEOL 121 Physical Geology—Superficial Processes (5)
Physics	Students may choose one of the following: PHYS 100 Physical Science (5) PHYS 115 Investigating Physical Science (5)* PHYS 121 Descriptive Astronomy (5)
Honors: (Open only to admitted Honors Program students.)	HONS 103, 104 Modern Science and Society, Honors Natural Science Lab (9) (with HONS 104 counts as 1 Natural Science GECR ; HONS 103 alone counts as 1 Social Science GECR)

Science courses that are offered as part of sequences designed for students majoring in science and related areas will apply to the **GECR** requirements. The first course and lab completed will fulfill one **GECR** requirement and the second course in the sequence will fulfill a second **GECR** requirement in the same subject area. If a student chooses to take two courses from the same subject area, a third course from a different subject area must be chosen for a total of three science courses.

Biology	BIOL 171 Biology I (4) and BIOL 270 Biological Investigation (3) BIOL 172 Biology II (4) if BIOL 171 and 270 are completed or BIOL 172 and 270 are completed** BIOL 232 Human Anatomy and Physiology for Non-Biology Majors (5) BIOL 233 Human Anatomy and Physiology for Non-Biology Majors (5) BIOL 234 Human Anatomy and Physiology for Non-Biology Majors (5)
Chemistry	CHEM 151 General Chemistry (5) CHEM 152 General Chemistry (5) CHEM 161 General Chemistry for the Health Sciences (5) CHEM 162 Organic Chemistry for the Health Sciences (5)
Physics	PHYS 131 Introductory Physics I (4) and PHYS 161 Mechanics Laboratory (1) PHYS 132 Introductory Physics II (4) and PHYS 162— or PHYS 163— or PHYS 164 (PHYS 132 and 161 if PHYS 131 and 161 were not completed) PHYS 151 General Physics I (4) and PHYS 161 Mechanics Laboratory (1) PHYS 152 General Physics II (4) and PHYS 162— or PHYS 163— or PHYS 164 (PHYS 152 and 161 if PHYS 151 and 161 were not completed) With permission, other appropriate physics labs may be substituted for 163 or 164.

***Note:** elementary education candidates are strongly recommended to select from these courses as the content is directly related to Washington State elementary endorsement and exit exam requirements.

****Note:** progression through this series requires a ≥ 1.7 in BIOL 171 and a ≥ 2.0 in BIOL 172, 173 and 270.

UNIVERSITY GRADUATION REQUIREMENTS

These requirements apply to all undergraduate students who do not have baccalaureate degrees. While general education, in the form of competencies, proficiencies and content-rich survey courses, typically occupies the student's first two years, liberal education continues to color and challenge every student's intellectual journey toward graduation. The following requirements may be satisfied through the courses listed or transferable equivalents:

MAJOR/MINOR or CERTIFICATE REQUIREMENT	SENIOR CAPSTONE/THESIS GRADUATION REQUIREMENT	FOREIGN LANGUAGE REQUIREMENT for BACHELOR of ARTS CANDIDATES
<p>A minor or certificate is required for any major with fewer than 60 credits.</p> <p>See the department/program section of this catalog for detailed course and graduation requirements.</p>	<p>ITGS 400 Interdisciplinary Senior Capstone (4) or for some majors, students may fulfill this requirement by completing a departmental capstone/thesis course.</p> <p>Check with the chair of the major department.</p>	<p>Two years of one single language in high school or one year of a single language in college.</p> <p>Eastern offers these languages: American Sign Language, Chinese, French, German, Japanese, Russian, Salish and Spanish.</p>

CULTURAL and GENDER DIVERSITY and INTERNATIONAL STUDIES REQUIREMENT

Courses and experiences will be designed to provide knowledge and understanding of:

**8 credits minimum;
4 credits in each area**

1. the cultural diversity of the United States and
2. other societies and cultures of the world. Second year or more advanced language study for 4–5 credits or 10 credits of approved (Japanese or Chinese) first-year language study may satisfy the International Studies Requirement. American Sign Language is excluded from fulfilling the International Studies Requirement.

THE UNDERGRADUATE DEGREE

THE UNDERGRADUATE DEGREE
REQUIRES: 180 MINIMUM CREDITS:

- 60 MUST BE UPPER DIVISION
- 45 MUST BE TAKEN AT EWU

SHADED AREAS INDICATE REQUIREMENTS SATISFIED BY COMPLETION OF AN APPROVED DIRECT TRANSFER AGREEMENT DEGREE
*MATH 100, 101 AND 102 MAY BE TAKEN INSTEAD OF MATH 103 AB & 104 AB. A DEPARTMENT MAY REQUIRE SPECIFIC COURSES TO BE COMPLETED FOR THE MAJOR. FOR EXAMPLE, ENGLISH 201 NOT TAKEN FOR THE DTA MAY BE REQUIRED.

UNDERGRADUATE STUDIES ACADEMIC POLICIES

ACADEMIC APPEALS BOARD

Exceptions to academic regulations are considered by an Academic Appeals Board that consists of faculty and student representatives. The Academic Appeals Board will consider petitions of the following undergraduate requirements:

- general education
- university graduation
- 60 upper-division credits
- 45 credits in residence
- 15 upper division residence credits in major
- foreign language

To submit an appeal to the board, consult with the graduation evaluator in the Records and Registration Office in Sutton Hall. Submission of an appeal should be made sufficiently in advance of graduation so that program planning can be done according to the decision of the board to approve, deny or reconsider the petition.

The Academic Appeals Board does not consider cases that apply to majors or minors, grade appeals or professional certification. Consult with the appropriate department chair or program director to discuss any of these matters.

ACADEMIC FORGIVENESS POLICY FOR UNDERGRADUATE STUDENTS

1. Undergraduate students may make a one-time petition to have up to two consecutive quarters removed from the calculation of their credits and GPA. The course work must have been completed at least five years prior to this petition.
2. Forgiven courses cannot be used to satisfy any academic requirement.
3. Academic forgiveness may be recommended on a case-by-case basis during advising.
4. To be eligible for academic forgiveness, a student must have completed 30 consecutive credits at Eastern, maintained a GPA of 2.5 or higher and have declared a major.
5. Academic forgiveness may not be revoked. For further information on Academic Forgiveness, go to the Records and Registration Office, 201 Sutton Hall or call 509.359.2321.

ACADEMIC HONORS

DEANS' HONOR LIST

Undergraduate and post baccalaureate students who complete at least 12 graded credits in a given quarter with a 3.50 GPA or higher will be placed on the quarterly Deans' Honor List for academic excellence. The honor is also recorded on their university transcript.

HONORS AT GRADUATION

Effective Spring 2010

Graduating seniors who achieve academic honors will be formally recognized during commencement, on university transcripts, and on their diploma. Baccalaureate honors are awarded only to recipients of a first baccalaureate degree. These honors are earned by those students who have completed no fewer than 90 credits at this institution; 60 credits must be for courses in which grade points are awarded. Honors are calculated only on college-level credits earned at this institution. The following designations apply:

Graduating seniors with a GPA between

4.0 and 3.9 = Summa cum laude.	3.89 and 3.7 = Magna cum laude.	3.69 and 3.5 = Cum laude
-----------------------------------	------------------------------------	-----------------------------

ACADEMIC PROBATION, DISMISSAL AND REINSTATEMENT

All undergraduate students are held to the following academic standards and policies:

- At the end of each quarter, undergraduate students who do not attain a cumulative GPA of 2.0 are placed on academic probation for the next quarter of enrollment.
- Undergraduate students on academic probation who attain a quarterly GPA of 2.0 or higher but whose cumulative GPA is still below the minimum 2.0 will remain on academic probation.
- Undergraduate students on academic probation who attain a cumulative 2.0 GPA are automatically removed from probation.
- Undergraduate students on academic probation whose cumulative GPA remains below 2.0 and whose quarterly GPA is below 2.0 will be dismissed from the university.
- All first-time Eastern Washington University undergraduate students will be subject to dismissal after two consecutive quarters of probation.
- Continuing Eastern Washington University undergraduate students are subject to dismissal after one quarter of probation.
- To re-enroll after being academically dismissed, students with undeclared majors must request reinstatement through the Office of General Undergraduate Academic Advising. Students with declared majors should request reinstatement through the deans of their colleges.
- A dismissed undergraduate student is not eligible to enroll for the following academic quarter (fall, winter or spring) and is required to remain out of school for at least one academic quarter after a first dismissal or one academic year after a second dismissal.
- First-time dismissed undergraduate students will be eligible to petition for reinstatement after one quarter.
- Undergraduate students dismissed a second time will be eligible to petition for reinstatement after one year.
- To be eligible for reinstatement, dismissed undergraduate students must demonstrate an improved academic performance at the college level, a readiness for academic success and a more positive academic position.
- The probation/dismissal/reinstatement process is coordinated through General Undergraduate Academic Advising (GUAA). Visit the GUAA website [HTTP://ACCESS.EWU.EDU/ACADEMIC-ADVISING.XML](http://access.ewu.edu/academic-advising.xml) for additional information or call: 509.359.2345.
- **Summer Session Policy:** A dismissed undergraduate student may enroll for summer session. But to be eligible to continue in the fall, the student must complete at least 10 graded credits during summer session with a minimum 2.0 GPA for that quarter.

ACADEMIC STANDARDS FOR POST BACCALAUREATE STUDENTS

Students who enroll at EWU for a second baccalaureate degree, having completed their first undergraduate degree at another university, will have their graduation GPA based on their EWU career only. These students will be eligible for quarterly deans list, under the same standards as any other undergraduate student, but are not eligible for graduation honors.

APPLICATION FOR GRADUATION

(MAJOR/MINOR FORM)

Application for graduation is required for any student seeking an undergraduate degree and must be submitted to the graduation evaluator, Records and Registration Office, second floor, Sutton Hall, by the published deadlines. Graduation application deadlines are available in Records and Registration, academic departments, the quarterly announcement and WWW.EWU.EDU/RECORDSANDREG. Timely submission provides an opportunity to review degree requirements and to plan or change course enrollment to ensure completion of all requirements.

Students who do not complete all degree requirements in the quarter of intended graduation must reapply for a subsequent quarter with the graduation evaluator. A reapplication fee may be assessed.

The graduation application fee and the reapplication fee change annually. For current fees, please see WWW.EWU.EDU/RECORDSANDREG.

TO COMPLETE AN APPLICATION FOR THE UNDERGRADUATE DEGREE

- Submit the Application for Graduation/Major/Minor Requirements approval form with all required faculty signatures to the Records and Registration Office, 201 Sutton Hall.
- Pay the graduation fee in Student Financial Services (one fee for each degree), 202 Sutton Hall.

CATALOG OPTIONS

The catalog in effect at the time the student is first admitted will be used to determine the general education requirements. The catalog in effect at the time the student declares a major or minor will be used to determine the program requirements. This catalog may only be changed to a newer catalog with the approval of the department chair or program director by resubmitting the major declaration form.

In no case can the catalog used for general education, the major, or the minor be more than six years old. A student whose general education catalog has expired will be assessed for general education based on the requirements of the major catalog year. A student whose major or minor catalog has expired will be required to submit a new major declaration form; the major and minor will be updated to the catalog in effect at the time of the resubmission.

Exceptional circumstances regarding the catalog used to assess a student's major or minor may be appealed to the appropriate department.

MAJOR/MINOR REQUIREMENTS

Minors are a distinct set of undergraduate courses that have been approved and designated in the catalog. A minor or certificate is required for graduation with any major program of less than 60 credits. Minors or certificates that are required for graduation must contain at least 15 credits that are not part of the major requirements. (The minor or certificate cannot be fully embedded in the major requirements.) Minors that are an option for graduation may be embedded in the major requirements and recorded on official university transcripts.

DECLARING A MAJOR AND MINOR

All undergraduates must declare a major by the time they have completed 90 credits. Students who transfer with 90 credits or more must declare a major before registration. Call or email your department of interest for exact procedures on declaring a major/minor. Department contact information is located at the beginning of each Academic Program listing.

GRADING SYSTEM, POLICIES AND APPEALS

General information is provided in the policy section at the back of the catalog, including the full policy on grade appeals.

SECOND DEGREE POLICY

Students may be awarded more than one undergraduate degree at Eastern Washington University.

- In all cases at least 225 credits are required to earn a second degree. Each subsequent degree requires an additional 45 credits.
- At least 45 credits that are different from those that are included in the first degree and are part of an approved program are required to earn two degrees.
- If fewer than 225 credits are completed, a second major rather than a second degree will be recorded on the university transcript, provided that the credits earned comply with program requirements for that major.
- The student must have the approval of each department chair or program director confirming that all degree requirements have been satisfied.
- If students complete more than one undergraduate degree concurrently, a minor is not required.

Transfer post-baccalaureate students can receive a bachelor's degree from EWU that is of the same type (BA, BS, BAE, etc.) as awarded at the transfer institution, provided EWU's degree requirements are completed. The major/minor area of emphasis must be different from that awarded at the transfer institution.

Any questions regarding this policy should be directed to the graduation evaluators in Records and Registration, second floor, Sutton Hall.

Note: general education and graduation requirements are waived for a student possessing a baccalaureate degree from an accredited institution who wishes to obtain an additional undergraduate degree from Eastern.

SECOND MAJOR POLICY

Students may be awarded more than one major of the same degree type (BA, BS, BAB, BAE, BM, and BFA). At least 30 credits in any major must be different from those in any other major.

This policy became effective spring quarter 2011.

GRADUATE STUDIES ADMISSION INFORMATION

206 Showalter Hall

509.359.6297

GRADPROGRAMS@EWU.EDU
WWW.EWU.EDU/GRAD

The Graduate Studies Office coordinates admission for all of Eastern's graduate programs and provides a wide range of assistance to prospective and current students as well as to faculty and staff at the university. Admission to graduate studies requires at a minimum completion of a baccalaureate degree. For more information about the academic and student services provided by the office, regarding admissions and policies, call or email the Graduate Studies Office or visit the website, WWW.EWU.EDU/GRAD.

APPLICATION PROCESS

Most programs have online application available via EagleNET at WWW.EWU.EDU/EAGLENET. An application may also be downloaded at the graduate studies website, WWW.EWU.EDU/GRAD. Admission requirements for individual programs vary and usually include supplemental materials beyond the general application to graduate studies. Any supplemental materials required by a program should be sent directly to that department. Use the summary guidelines and the departmental listing on the Web or in the catalog immediately following this section to identify specific requirements. To be considered for admission, applicants must submit all materials by the specific deadlines established by each program. Applicants to more than one program (this includes dual degree programs) must submit a complete, separate application for each program.

APPLICATION REQUIREMENTS AND CATEGORIES

All Applicants

Application form: Submit a completed Application for Admission and a \$50 application fee. Paper applications must be in duplicate and are required for international applicants; only one electronic application is required. Applicants must pay the fee for each graduate program application, except for dual degree program applicants, who pay only one fee for both applications.

Standardized Test Scores, GRE/GMAT: Submit official score reports from the Graduate Record Examination General Test (GRE), if required by the department, or score reports from the Graduate Management Admission Test (GMAT) for MBA applicants. Official scores must be sent directly by the Educational Testing Service to Eastern (school code 4301). Information about applying for these examinations is available in the Graduate Studies Office. Computer-based testing is available in many areas and is offered regularly throughout the year. Call 1.800.GRE.CALL or refer to WWW.GRE.ORG or WWW.GMAT.ORG for more information.

Transcripts: Submit two official copies of transcripts from all colleges and universities attended. Students who received undergraduate degrees from Eastern or who have previously been admitted to Eastern need not request that those transcripts be sent to the Graduate Studies Office.

International Applicants

In addition to a paper application for admission to graduate studies and the application fee, international applicants are required to submit a course-by-course credential evaluation through World Education Services (WES) or another credential evaluation service recognized by the National Association of Credential Evaluation Services (NACES), which can be found at WWW.NACES.ORG. The WES application and forms are available at WWW.WES.ORG. Graduates of accredited U.S. universities are not required to submit a credential evaluation. One copy of official university transcripts or postsecondary academic records must also be sent directly to Graduate Studies, 206 Showalter Hall, Cheney, WA 99004-2444. International applicants who have already had a credential evaluation completed by WES or another credential service need to have an official copy of that evaluation sent to Eastern, along with a copy of their university transcripts.

Language Proficiency

All students from countries where English is not the native language must provide evidence of adequate proficiency in the English language before being admitted to graduate study. All applicants must meet all other admission requirements in addition to the English language proficiency requirement in order to be admitted. The language requirement may be satisfied by submitting an official score report showing any of the following scores on the Test of English as a Foreign Language (TOEFL), paper-based test (PBT) or Internet-based test (iBT); the Pearson Test of English, Academic (PTE-A); or the International English Language Testing System (IELTS).

Test	TOEFL PBT	TOEFL iBT	PTE-A	IELTS
Score	580 or higher	92 or higher	63 or higher	7.0 or higher

Otherwise admissible applicants who submit an official score report showing any of the following English language test scores may be admitted conditionally, upon recommendation of the academic program. In such cases, registration for classes is conditional upon having a program of English language study approved by the director of the Teaching English as a Second Language (TESL) program. A student with conditional admission may be granted full admission upon presentation of a new official score report showing any of the test scores identified above as satisfying the English language proficiency requirement or upon recommendation of the director of the TESL program.

Test	TOEFL PBT	TOEFL iBT	PTE-A	IELTS
Score	550-579	79-91	53-62	6.5

Applicants who submit an official score report showing any of the following English language test scores may be admitted to the University as post-baccalaureate students and may take up to 12 pre-admission credits to be counted toward a graduate degree after graduate admission and with program approval. These applicants may be granted full admission upon presentation of a new official score report showing any of the test scores identified in the first table above as satisfying the English language proficiency requirement or may be granted conditional admission for new scores in the conditional range in the second table above.

Test	TOEFL PBT	TOEFL iBT	PTE-A	IELTS
Score	525-549	71-78	48-52	6.0

Please note: international applicants who have earned an undergraduate degree from an accredited post-secondary institution in the U.S. are not required to submit an English language test score as part of their application.

Alternative to submitting test scores to meet the English language proficiency admission requirement: Otherwise admissible applicants may, with the written approval of the academic program, be admitted upon successful completion of a prescribed program of appropriate content course work and English Language Institute (ELI) course work. This course work will be agreed upon in advance by both the program and ELI. Successful completion is defined by the academic program for the content courses and by ELI in the advanced language level by achieving linguistic proficiency with a "good" rating on the ELI scale of fair/good/excellent. Up to 12 credits of content course work completed before admission may be applied to the appropriate graduate program after admission with the program's written approval.

Note: this policy is not to be construed as replacing evaluation by the director of the TESL program for applicants with an English language test score in the conditional range in the second table above, nor should it be construed as a policy on conditional admission to Graduate Studies.

GRADUATE ADMISSION REQUIREMENTS AND EXCEPTIONS TO MINIMUM REQUIREMENTS

A baccalaureate degree from an appropriately accredited college or university is required for admission to a graduate program. Upon receipt of a complete application, eligibility for graduate admission is determined by evidence of scholarly ability as indicated by a minimum **GPA** of 3.0 in the last 90 quarter or 60 semester-graded hours. Applicants with an earned graduate or professional degree from an appropriately accredited institution meet the minimum **GPA** admission requirements.

Admission to graduate studies is granted only after recommendation by the major department and the approval of the vice provost for Graduate Education and Research.

EXCEPTIONS TO GPA REQUIREMENTS FOR GRADUATE ADMISSION

Upon written recommendation by the program director, the vice provost for Graduate Education and Research may approve the admission of a limited number of students who do not meet the **GPA** minimum based upon considerations which include **GRE** or other test scores, performance in relevant graduate courses and faculty evaluations.

PROFESSIONAL EXPERIENCE AND GRADUATE ADMISSIONS

Applicants with at least 10 years of increasingly responsible professional experience in the field for which they are applying may be considered for regular admission to graduate studies. These applicants must have a baccalaureate degree from an accredited university, follow the general application procedures outlined above and meet *at least three* of the following five requirements:

- submit a transcript showing a 3.0 **GPA** for the last 90 quarter or 60 semester-graded hours;
- submit satisfactory scores on the **GRE**, **GMAT** or other approved test.
- write an essay demonstrating critical thinking skills;
- write a statement of intent demonstrating a level of knowledge and intellectual maturity appropriate to the proposed field of graduate study;
- present evidence of professional success in a field relevant to the proposed area of study.

Applicants for admission under the professional experience provision must work closely with the program advisor or director to ensure that all required materials are received and reviewed. Any recommendation for admission under this provision must come from the academic department or program to the Graduate Studies Office. Admission is granted only with the approval of the Vice Provost for Graduate Education and Research. Call the Graduate Studies Office if there are further questions.

GRADING SYSTEM, POLICIES AND APPEALS

General information is provided in the policy section at the back of the catalog, including the full policy on grade appeals. Also see the information below on Graduate Studies Academic Policies and Degree Requirements.

GRADUATE DEGREE REQUIREMENTS

Each academic program specifies the particular requirements for the degree in the program listings in the center of this catalog. Graduate degree specializations must be built upon adequate undergraduate preparation. The minimum credits required to complete a graduate degree at Eastern are as follows:

GRADUATE STUDIES ACADEMIC POLICIES

Listed in alphabetical order. For a summary of graduate student responsibilities relative to these policies, see the Graduate Student Guide at the end of this section of the catalog or on the Web at www.ewu.edu/grad and click on “current students.”

ACADEMIC STANDARDS

- At least one-half of the total credits for a graduate degree must be at the 500 level or above. *Note:* interdisciplinary degrees (as described separately in this catalog) may include no more than 12 quarter credits of undergraduate course work.
- Distance-delivered courses numbered 400 or above, offered by accredited institutions as graded courses and part of a graduate program of study may be included in a graduate degree program at Eastern at the discretion of the program/department.
- No 300-level courses are allowed in a graduate degree program without prior permission from the vice provost for Graduate Education and Research. Only one approved 300-level course of up to five quarter credits is allowed in any graduate program.
- No program requirements can be satisfied with a course grade below 2.0.
- Only two courses in a student’s degree program may be below a 2.5; repeats do *not* change this rule.
- Pass/No Credit courses may count in a graduate degree program, but a student must complete 36 credits of graded work. Upper division undergraduate courses (300–400) with pass/no credit grades cannot be included as part of the graduate program.
 - Pass/No Credit grades are utilized only in designated graduate-level courses. (Graduate courses may not be taken Pass/No Credit unless the course has been so designated by departments.)
 - Students with more than two no-credit (NC) grades in their program will have their record reviewed by the program advisor with possible dismissal as a consequence.
- Proof of competency in research is required of all graduate degree candidates.
- Senior students with exceptional ability and appropriate background may enroll in 500-level courses only with prior written permission of the vice provost for Graduate Education and Research.
- Three-fourths of the minimum credits required for the specific degree program must be earned in approved courses offered by EWU. The remaining credits may consist of approved credits from other accredited institutions.

APPEALS

Occasionally, a student may wish to appeal one of Eastern’s graduate policies. Student appeals of graduate policies and procedures should be addressed to the vice provost for Graduate Education and Research. These appeals should be made in writing, initiated by the student and endorsed by the appropriate graduate program advisor or director. The appeal document must contain adequate justification demonstrating that the student possesses sufficient outstanding qualities to balance identified weaknesses.

Note: appeals of the policy on previous graduate credit found on the next page are heard by an Academic Appeals Board.

COURSE LEVEL POLICIES

Upper Division	Graduate Division
400–499 <i>primarily for seniors;</i> graduate students may count a limited number of credits from graded courses, only with program approval	500–599 <i>graduate level;</i> senior undergraduates may enroll only with permission of both department chair and graduate dean 600–699 <i>graduate level only</i> 700–799 <i>doctoral level only</i>
At all levels, course numbers ending in 95 through 99 indicate special courses, with the particular subject matter varying from quarter to quarter:	
95	internships
96	experimental
97	workshops, short courses, conferences (Only one workshop course of up to 3 credits may be used to fulfill graduate degree requirements)
98	seminars
99	independent and directed study

All departments may offer these types of courses, but not all may be listed in this catalog; check with individual department offices for the most current information on course availability.

COURSE LOADS

The minimum full-time enrollment for graduate students is 10 quarter credits for students on a quarter calendar (QC) and 15 quarter credits for students on a semester calendar (SC). A standard study load normally involves around 12 quarter credits for full-time QC students or 18 quarter credits for full-time SC students. The course load of graduate students may not in any term exceed 18 quarter credits for QC students or 27 quarter credits for SC students without the approval of the student’s advisor and the appropriate department chair or designee. Students receiving a graduate service appointment must also have the approval of the vice provost for Graduate Education and Research to enroll in overload credits. Call 509.359.6297 with any questions.

COURSE REPEAT

Courses may be repeated for graduate credit. However, as stated above under Academic Standards, only two courses in a student’s degree program may be below 2.5; repeats do not change this rule. Also see the probation policy below and the general information on the grading system in the policy section in the back of the catalog.

DEGREE COMPLETION AND USE OF UNIVERSITY RESOURCES

After being admitted to a graduate program a student has six calendar years in which to complete a graduate degree program, beginning with the quarter the student is admitted, subject to the following exceptions:

- This policy may not be construed to change the six-year limit between commencement of study toward the degree and completion of the degree program. (The six-year limit begins with the date of the first course used toward degree requirements, including any pre-admission credits.)
- Admitted students who fail to complete the degree within the six-year period will be dropped from the program and must re-apply for admission to the degree program with evaluation of all credits taken to date and pay the application fee.
- Students who are using university resources during the six-year period, including faculty consultation, laboratories, library resources, scheduling and completing final examinations must register for a minimum of two credits. In the quarter of defense, the student must be enrolled for a minimum of two credits. (Summer session only permits one credit registration.)

ENROLLMENT POLICIES FOR GRADUATE STUDENTS

Graduate students may register only after being recommended for admission. Any student who attends classes but fails to register for those classes through the Records and Registration Office will not receive credit for those classes. Students who register after the registration period will be assessed a late registration fee per course. The instructor's permission is required for late registration. An advisor's signature is required prior to registration for all new entering students, returning students on academic dismissal, those on probation and any student with an overload of credits.

Failure to attend the first class meeting may result in loss of registration in that course section. Failure to complete all prerequisite requirements prior to registering may result in loss of registration.

Please refer to the quarterly announcement at WWW.EWU.EDU/RECORDSANDREG for further information on registration procedures such as how to drop, add and withdraw.

GRADUATE DEGREE CANDIDACY

Advancement to graduate degree candidacy means that the department is encouraging the student to complete his or her degree. The student's program is planned at this time, and the student is assured protection against subsequent program changes.

Advancement to Graduate Degree Candidacy requires the following steps:

- completion of at least 15 graded credits in a degree program;
- maintenance of at least a 3.0 cumulative GPA in all courses since admission to graduate studies;
- submission of the application for degree candidacy form to the Graduate Studies Office, specifying a degree study program approved by the major department. At the student's option, the program may be based on either current catalog requirements or the catalog in effect at the time of admission. The form must be submitted before the student has completed one-half the minimum credits unless program requirements allow submission after the mid-point of the student's program. All applications for graduate degree candidacy must be submitted no later than the second Friday of the quarter before anticipated graduation unless special permission is granted by the vice provost for Graduate Education and Research;
- completion of any specific departmental requirements;
- approval of the vice provost for Graduate Education and Research or designee.

GRADUATE DEGREE COMMITTEES AND FINAL COMPREHENSIVE EXAMS

After a student has advanced to degree candidacy, a committee is appointed to arrange, conduct and appraise the comprehensive examination. Satisfactory completion of the comprehensive exam is required to graduate.

Graduate degree committees are normally comprised of three members, one acting as the chair. The chair of the graduate committee is a faculty member from the student's specialization. Another member is chosen to represent the broader academic aspects of the candidate's program. The third member is a representative of the Graduate Affairs Council, which governs graduate policies and programs. The council representative is selected from a department outside the student's primary academic area and is appointed to the committee by the vice provost for Graduate Education and Research. (See the approved departmental comprehensive exams third member policy that follows this section of the catalog.) When necessary to represent all the areas of a student's preparation, the vice provost may authorize additional members.

After the committee is confirmed, the candidate and faculty members are officially notified of the committee membership by the Graduate Studies Office. The candidate must confer with his or her chair regarding the date of the comprehensive examination. It may be scheduled any time after submission to the Graduate Studies Office of the terminal research approval form. This form is signed by the student's chair and internal member to indicate their approval for the examination to be held. The Graduate Studies Office must be notified of the scheduled examination at least 10 working days prior to the examination date. Except in the

case of a written examination, all comprehensive exams are open to the public and must be announced to the student's academic unit(s) at least one week prior to the exam.

The examination is conducted by the chair of the committee, and questions are based upon the candidate's research and/or areas of study. The examination is approximately two hours. Only the committee members determine, by majority vote, whether the candidate is successful, unsuccessful or not yet qualified. The official report of the committee's decision must be returned to the Graduate Studies Office for inclusion in the student's permanent records and to use for degree checkout.

Note: A comprehensive examination cannot be scheduled for any student who has an X grade in any course in his/her degree program, current course work excepted. Student and faculty signatures on the terminal research approval form are verification that there are no X grades. Students who successfully complete their comprehensive examinations must meet any outstanding degree requirements within one quarter of their exams or be assessed a late completion fee equal to the cost of one-half of one resident graduate credit for purposes of degree checkout and degree posting. Post-examination internships required for degree completion are excluded. If the student does not complete by the end of one term, the late completion fee will be assessed for each term the course work is incomplete.

GRADUATION APPLICATION

Application for completion of the graduate degree must be filed with the Graduate Studies Office no later than the second Friday of the quarter prior to expected graduation. Students on a semester calendar must apply no later than five months before the last day of the semester of expected program completion. Early application is encouraged. A diploma fee is required. Fees change annually; check with the Graduate Studies Office. Late applications are subject to a fee. Applications received after the deadline may delay posting of the degree on official university transcripts and mailing of the diploma.

Note: only students who have completed all degree requirements during the current academic year, or who have applied to graduate by the deadline for summer of the current academic year will be included in the commencement program.

GRADUATION GRADE POINT AVERAGE

The graduation GPA includes credits and grade points earned at Eastern and transfer credits and grade points accepted by Eastern. This grade point is used for determining graduation eligibility. The transfer GPA does not appear on an EWU transcript. University academic honors (cum laude, magna cum laude, summa cum laude) are not awarded to graduate students based on GPA.

MULTIPLE GRADUATE DEGREES AND PROGRAMS

Students who have finished one graduate degree may be awarded another graduate degree when they have finished the requirements for the second degree as set forth in the graduate catalog. Students may also pursue and be enrolled in two programs simultaneously.

Students must meet all the requirements of the second degree, including course work, tests, thesis, foreign language, experience, age of credits, departmental recommendations and other requirements as specified. Students may apply a maximum of 12 department/program credits from one graduate degree or degree program to a second or additional graduate degree. (This does not apply to dual degree programs.)

MAXIMUM ATTEMPTED CREDITS

Graduate students are expected to make efficient progress toward their degree. Those found to have attempted credits on their record at or above 150% of the minimum number of credits required for their program, excluding independent study, thesis or research project courses, will be prevented from registering until they have met with their academic advisor and established a revised plan for program completion, specifying a new graduation term. This plan must be submitted with the written support of the student's academic advisor and approved by the vice provost for Graduate Education and Research in order for the student to register.

PREVIOUS GRADUATE CREDIT

Students may include in a graduate degree program a maximum of 12 quarter credits or nine semester credits completed before admission to graduate studies. These credits must be from an accredited university, approved by the department for inclusion in a degree program, no more than six years old at the time of program completion and not part of an undergraduate degree. Any exception to this policy must be approved by the Academic Appeals Board. Appeals are made in writing by the student and must be accompanied by the written support of a program advisor or director. These appeals are submitted to the board through the Graduate Studies Office.

PROBATION POLICY

- Graduate students must maintain a 3.0 **GPA** in all courses taken since admission to graduate studies at EWU.
- Students are notified by letter if they have fallen below the 3.0 minimum.
- One term is allowed to restore the cumulative **GPA** to the minimum 3.0.
- Faculty of the department offering the degree may extend the probationary period by one term, when warranted by special circumstances.
- Students on probation may not be advanced to candidacy or schedule their comprehensive exams.
- Students unable to restore their cumulative **GPA** to 3.0 or above in the additional quarter of probation shall be terminated from the program.
- Individual departments/programs may have requirements that are more restrictive. Such requirements supersede those stated here.
- Students who have been academically dismissed from a graduate program may reapply for admission. In addition to the application for readmission to graduate studies and meeting all admission requirements specified by the program, applicants who have been dismissed must also submit a written petition to the program stating their readiness to pursue the degree and addressing the circumstances that led to dismissal. Applicants who are then readmitted will be allowed to register for one term only. At the end of the initial term, continuation is contingent upon recommendation from the program and the approval of the vice provost for Graduate Education and Research. Students who have been readmitted will have up to two terms to return to good academic standing with a cumulative graduate **GPA** of at least 3.0. Extensions of probationary status may be approved on the written recommendation of the program and with the approval of the vice provost for Graduate Education and Research. Students who are not recommended for continuation are not eligible for one year to reapply for admission to graduate studies.

RESIDENCY REQUIREMENT (AT EWU)

Three-fourths of the minimum credits required for the specific degree program must be earned in approved courses offered by EWU. The remaining credits may consist of approved credits from other accredited institutions. (For information about establishing residency in Washington for tuition purposes, see the policy section of this catalog for state of Washington residency.)

THESIS, RESEARCH REPORT OR OTHER TERMINAL DOCUMENT REQUIREMENTS

Completion of a thesis or research report is required by most graduate programs. Research reports are submitted to the department in whatever form, style and number the department requires. Instructions on form and style requirements for a master's thesis are available from the Graduate Studies Office and from our website at www.ewu.edu/grad.

When a student is submitting a thesis, research report or other terminal document, either the document or an abstract must be provided to committee members at least two weeks in advance of the final comprehensive examination. Any required changes are to be completed for final approval by the committee within 10 working days of the examination, or the end of the term, whichever comes first.

Four approved copies of the thesis must be presented to the Graduate Studies Office within 10 working days of the oral examination, or by

the end of the term, whichever comes first. By that time, a \$60 binding fee must be paid. Three copies of the bound thesis are retained by the university; one is returned to the student after binding.

Note: The university has policies and procedures in place to ensure that individuals conducting research, including graduate students, comply with applicable federal and state regulations governing the use of human subjects, the care and use of animals, significant financial interest disclosure, scientific misconduct, intellectual property and copyrights. If the student's research is affected by any of the above, he or she may be required to obtain university approval prior to initiating the research. Further information and application materials are available from the Office of Grants and Research Development, 210 Showalter Hall. Also see the "Regulations for Research" section of this catalog.

"Y" GRADES FOR THESIS, RESEARCH REPORT AND OTHER COURSES REQUIRING MORE THAN A SINGLE QUARTER TO COMPLETE

Students are expected to enroll for an appropriate number of research credits each term they use university resources such as faculty time, laboratories and the library. The "Y" grade may be used to defer assigning of a grade until the project is completed. The "Y" grade is not to be used in lieu of an incomplete. A specified maximum number of "Y" graded credits are allowed by each program.

"Y" Grade Maximums

Art	600, 601, 696	15 credits
Biology	30 credit maximum for any course for which a "Y" grade is assigned.	
Business	12 credit maximum in any course for which a "Y" grade is assigned.	
College Instruction	696	15 credits
	600	9 credits
	601	6 credits
Communication Disorders	600, 601	10 credits
Communication Studies	600, 601	6 credits
Computer Science	600, 601	15 credits
Counseling, Educational and Developmental Psychology	12 credit maximum for any course for which a "Y" grade is assigned.	
Creative Writing	600	12 credits
Dental Hygiene	600	25 credits
Education	563, 587, 588, 589, 600, 601, 695	4 credits, 6 credits, 25 credits
English	14 credit maximum for any course for which a "Y" grade is assigned.	
Engineering and Design	5 credit maximum in any course for which a "Y" grade is assigned.	
History	600, 601	15 credits
Mathematics	600, 601	12 credits
Modern Languages (French)	600, 601	15 credits
Music	10 credit maximum for any course for which a "Y" grade is assigned.	
Physical Education	9 credit maximum for any course for which a "Y" grade is assigned.	
Psychology	9 credit maximum for any course for which a "Y" grade is assigned.	
Public Administration	600, 601, 602	8 credits, 2 credits, 2 credits
Social Work	Maximum is the number of credits for the course. Students cannot re-register for a course in which a "Y" grade is received.	
Urban and Regional Planning	601, 695	10 credits

APPROVED DEPARTMENTAL COMPREHENSIVE EXAMS
THIRD MEMBER POLICY

Biology	Two or three departmental members and an outside member selected by the Graduate Studies Office for the oral comprehensive exam.	History	Third member for the oral comprehensive exam is selected by the Graduate Studies Office.
Business Administration	Elective option–portfolio presentation. The third member is selected by the Graduate Studies Office and the times are arranged by the MBA committee chair. Research report/thesis option. The third member for the oral comprehensive exam is selected by the Graduate Studies Office.	Interdisciplinary	Third member for the oral comprehensive exam is selected by the Graduate Studies Office.
College Instruction	Third member for the oral comprehensive exam is selected by the Graduate Studies Office.	Mathematics	Third member for the oral comprehensive exam is selected by the Graduate Studies Office.
Communication Disorders	Third member for the oral comprehensive exam is selected by the Graduate Studies Office.	Music	Third member for the oral comprehensive exam is selected by the Graduate Studies Office.
Communications	Third member for the oral comprehensive exam is selected by the Graduate Studies Office. Orals will not be held during vacations or summer term without prior approval from the student’s committee.	Nursing	Third member for the oral comprehensive exam is selected by the Graduate Studies Office.
Computer Science	Third member for the oral comprehensive exam may be chosen by the Computer Science Department or by the Graduate Studies Office. Students must be registered the quarter they take their final oral exams. If the department selects the third member, notification of the third member should be made at the beginning of the term prior to the comprehensive exam (preferably at the time of candidacy).	Occupational Therapy	The final comprehensive examination must be successfully completed before enrollment in OCHT 695 Fieldwork that begins in the final year of the program. Third member for the oral comprehensive exam is selected by the Graduate Studies Office.
Counseling, Educational and Developmental Psychology	Written comprehensive examination for Mental Health Counseling and School Counseling reviewed by the vice provost for Graduate Education and Research, and a portfolio presentation to an advisory board and a graduate faculty member selected by the Graduate Studies Office, conducted early in spring term of final year. All School Psychology Program candidates will complete a two-phase program exit process: (a) thesis/research project defense and (b) defense of program. The thesis/research project defense is expected to occur prior to the internship experience, typically by spring term of the second year of enrollment. The defense of program is expected to occur in the final term of the candidate’s enrollment in the program, typically spring term of the third year.	Physical Education	Third member for the oral comprehensive exam is selected by the student. Students who are unable to select their third members must notify the Graduate Studies Office at least one term in advance of their comprehensive exams (preferably at the time of candidacy). The Graduate Studies Office is then responsible for selecting the third member.
Education	Third member for the oral comprehensive exam may be selected by the student. Students who are unable to select their third members must notify the Graduate Studies Office at least one term in advance of the comprehensive exam (preferably at the time of candidacy). The Graduate Studies Office is then responsible for selecting the third member. Oral comprehensive examination for special education. Third member may be selected by the student or by the Graduate Studies Office. Students who select their third members must provide the Graduate Studies Office with the third members names at the beginning of the term prior to the term in which their exams are conducted (preferably at the time of candidacy).	Physical Therapy	Written comprehensive examination with review by the vice provost for Graduate Education and Research, in final term of didactic work, prior to commencing full-time clinical internships. At least one graduate faculty member selected by the Graduate Studies Office will attend the annual research project presentations.
English	Third member for the oral comprehensive exam is selected by the Graduate Studies Office.	Psychology	For School Psychology, see the information in Counseling, Educational and Developmental Psychology. For all other psychology students the third member for the oral comprehensive examination is selected by the Graduate Studies Office. Orals will not be held during breaks or summer term.
		Public Administration	Third member for the oral comprehensive exam is selected by the Graduate Studies Office.
		Social Work	Third member for the oral comprehensive exam may be selected by the student or by the Graduate Studies Office. Students who select their third members must provide the Graduate Studies Office with their third member’s name at the beginning of the term prior to the term in which their exams are conducted (preferably at the time of candidacy).
		Urban Planning	Third member for the oral comprehensive exam may be selected by the student or by the Graduate Studies Office. Students must be registered the term they take their comprehensive exam orals. Students who select their third members must provide the Graduate Studies Office with the third member’s name at the beginning of the term prior to the term in which their exams are conducted (preferably at the time of candidacy).

**EWU GRADUATE STUDENT SUMMARY GUIDE
TO POLICIES AND PROCEDURES**

All required forms and guidelines can be found at www.ewu.edu/grad

PROCEDURES	ACTION	DEADLINE	EXPLANATION	CONSEQUENCES/INFORMATION
Apply For Candidacy and Select Graduate Faculty Committee Members.*	Student approaches advisor to formalize graduate program plan, discuss second committee member and determine if Institutional Review Board forms (IRB) must be filed. Program approval for candidacy form indicated by signatures from student, two program graduate faculty and program director. Form then submitted to Graduate Studies Office for review.	After completion of 15 graduate credits and before completing one-half the minimum credits in degree program. In all cases application must be submitted by the second Friday of the quarter prior to intended graduation for students on a quarter calendar or five months before last day of the graduation semester for students on a semester calendar.	Supports timely progress to degree completion; protects students from degree requirement changes and begins IRB review, if needed. Approved candidacy applications acknowledged by letter from graduate vice provost or designee.	Inaccurate or incomplete candidacy application delays advancement. Late submission requires a written appeal to vice provost for Graduate Education and Research and possible delay in graduation. Lack of IRB can invalidate research.
Submit Graduation Application and Fee	Return completed application to Graduate Studies Office, 206 Showalter, with fee.	Second Friday of the quarter prior to intended graduation for students on a quarter calendar or five months before last day of the graduation semester for students on a semester calendar.	Allows for timely review of student's program prior to graduation.	Late submission delays graduation until next term, and incurs a late fee.
Register in Final Quarter of Program for at Least 2 Credits (1 Credit Minimum Summer Term Only)	Consult with advisor or graduate program director about remaining requirements.	Term of program completion.	Meets state requirement of registration for students using university resources.	Only currently registered students are eligible to complete a graduate program.
Select Outside Member for Comprehensive Examination.*	Review approved third member policy in catalog; Graduate Studies Office selects from approved graduate faculty unless otherwise specified by department policy.	Graduate Studies Office notifies student near the beginning of the term of intended graduation (the term entered on the candidacy) unless student has already identified a member of the graduate faculty as the third.	Provides rigor, procedural guidance and helps ensure examination is comprehensive.	Late candidacy application delays selection of outside member required for comprehensive exam to be held.
Submit Terminal Research Approval Form.	Committee chair and second committee member sign form and submit to Graduate Studies Office.	Must be received in Graduate Studies Office at least two weeks prior to the exam; earlier is recommended. Exam schedule may be submitted on this form.	Indicates committee approval to proceed with comprehensive examination based on review of drafts.	Comprehensive examination cannot be scheduled without receipt of form in Graduate Studies Office, or if any "X" grades are on student record for prior terms.
Schedule Comprehensive Examination	Student arranges date, time and location agreed to by all committee members and then notifies Graduate Studies Office.	Graduate Studies Office must be notified two weeks prior to scheduled date and after receipt of terminal research approval form.	Allows time for notice and comprehensive exam report form to be sent to committee members.	Failure to schedule may lead to cancellation or invalidation of examination.
Provide Approved Thesis, Research Report Or Other Terminal Document Draft	Student provides a copy to all comprehensive examination committee members.	Two weeks prior to examination each committee member must have a copy of the document.	Allows faculty sufficient time to review document and prepare for comprehensive examination.	Comprehensive examination could be canceled if documents not provided by deadline.
Complete Comprehensive Examination	Committee Chair or other designated participant in exam submits form to Graduate Studies Office.	Original comprehensive exam report form due in Graduate Studies office immediately following exam.	Verifies examination results; becomes part of permanent student record.	Lack of original form will delay program and degree completion.
Thesis Students Only-- Submit Four Copies on 100% Cotton Bond Paper and Thesis Binding Fee	Graduate Studies Office must receive final copies with chair and internal committee member signatures on thesis signature page.	Ten working days after comprehensive examination and thesis defense or by the last day of the term, whichever comes first.	To meet form and style standards, for binding, and distribution to student, department and EWU Library.	Possible delay in graduation to following term, delay in binding of thesis.
Attend Commencement	Verify completion of application for graduation; order cap, gown and hood from EWU bookstore at least four weeks prior to graduation.	All participants in June commencement must meet posted spring graduation application deadline to be included in bulletin.	Fall, winter, spring and summer graduates may participate; publication of commencement bulletin requires timely application.	Participation encouraged; one ceremony and one bulletin published annually.

* Contact program advisor about any changes to candidacy or committee
