

1950-1965 Reunion June 20-21

Dear Classmates,

Traditions, connections and opportunities. These are the things that continue to make Eastern a special place. In the '50s and '60s we were young and a world of possibilities lay out in front of us as we prepared to graduate from Eastern Washington State College. As time has passed, we've built many connections, created our own traditions and took many opportunities on the road of life. But as you know, all roads lead home, and it's time to return to a place that you called home for our reunion.

This year's reunion activities are being planned for June 20-21 and we hope you will mark your calendar for this important weekend. Special tribute will be paid to the class of 1958 to celebrate a golden anniversary. Attending members of this class will be honored with a presidential medallion by EWU President Rodolfo Arévalo.

Reunion is an amazing opportunity to reconnect with old friends and reminisce about good times at Eastern. We hope you will join us in this wonderful celebration.

Sincerely,

Margaret Fredricking Soderberg '58
