

Congratulations on taking the first step in pursuing your baccalaureate degree! I'm confident you will find our program able to provide the direction and education necessary to fulfill your career goals.

You will find the following items online at <http://www.ewu.edu/x6780.xml> :

1. **One “New Student Admission Application” (or “Returning Student Admission Application”)** to Eastern Washington University.
2. **One “Application for admission to the Expanded Degree Program at Clark College”.**
3. **One program description and financial aid contact information.**

You must submit items 1 and 2 above along with:

1. **Two official transcripts and one unofficial transcript** from all colleges you have attended. You do not need high school transcripts.
2. **One copy of your current dental hygiene license.**
3. **One copy of your current malpractice insurance.** (Please indicate if you do not carry malpractice insurance on the dental hygiene application.)
4. **One check for \$92.00** made payable to EWU.

Once you have gathered all items, send in one packet or bring to me directly at Clark College.

Applications must be submitted no later than August 1st for all the current year's fall enrollment.

We can accept applicants mid-year, but you will not be eligible to register for the practicum series classes (DNHY 485, 486, and 487 or DNHY 491, 492, and 493) as they must be taken in sequential order starting fall quarter.

If you have additional questions, please give me a call and congratulations, once again, for choosing to further your education.

Respectfully,

Brenda Walstead, RDH, M.ED.
