FY2013 - 2015 Operating & Capital Budget (Attachment III. A.1.)
Ms. Mary Voves, Vice President for Business & Finance, introduced David Buri, director of Government Relations. Mr. Buri provided a legislative overview of the legislative session that concluded on June 30, 2013. His report was positive, noting this was the best bipartisan budget that has been passed in 20 years. Total higher education funding was up 12.4 percent, and specifically EWU was up 15.7 percent. This was the first time since 1986 that tuition was not raised, and Mr. Buri attributed our success to President Arévalo’s strong leadership advocating for low tuition statewide.
