APPLICATION PROCESS

Students must apply for and be accepted into the Athletic Training Education Program. **The application deadline is the last day of EWU’s winter quarter.** The applications will be reviewed and selected interviews conducted during April, with notification of status the first week in May.

The completed application must include:

- Application Cover Page
- College transcripts from **ALL** colleges attended (unofficial transcripts are acceptable)
  - A minimum GPA of **2.75** is required
  - If you are a freshman, your high school transcript is also required
- Documentation of a recent (within the past year) physical examination
- Documentation of current certification in CPR and First Aid
- Reviewed and signed the Program Technical Standards
- ATTR 201 and Chemistry 121, 151, or 161 at Eastern Washington University or the equivalent
- A short essay specifically addressing the following points:
  - Provide a brief autobiography including some interesting facts about yourself (interests, hobbies, etc.) so that we can better understand your personality
  - Describe how you got interested in the profession of Athletic Training, and your experiences in this area
  - Describe your overall academic and career goals
  - Tell us about those people that you consider as your role models (professional/personal) and the characteristics that you admire in that person(s).
- A list of at least two references (name, phone number, address) regarding both academic and work abilities.
- A minimum of 20 hours of experience while in college in the field of athletic training (only 10 of which can be completed in the EWU Athletic Training Room).

If you wish to apply to the two-year program the following requirements must be met:

1. Be transferring from another institution.
2. Completion of one year of biology equivalent to BIOL 232, 233 and 234 with a minimum GPA of **2.5**.
3. Successful completion of one college chemistry course.
4. Meet all university competency and proficiency requirements for admission to EWU and completion of freshman and sophomore general education requirements.
5. 400 hours under direct supervision of a Certified Athletic Trainer while in college (verified on the proof of hours form).

Note: The number of applicants to the program may exceed the number that can be admitted; therefore, no assurance can be given that all applicants admitted to the university and successfully completing the application requirements will be admitted to the athletic training program. Completion of the degree does not guarantee passage of the certification exam but does prepare the student to sit for the exam.
