Three Year Program Requirements
Admission to the Athletic Training Program begins with undergraduate admission to Eastern Washington University. Students must then apply for and be accepted into the athletic training major. Applications into the athletic training program must be submitted by the last day of EWU’s winter quarter. The applications will be reviewed and selected interviews conducted during April, with notification of status by the first week in May.

The application includes completing and submitting the following in a sealed envelope postmarked no later than the deadline date:
1. Completion of the application cover page
2. College transcripts from ALL colleges attended (unofficial transcripts are acceptable)
   - A minimum GPA of 2.75 is required
   - If you are a freshman, your high school transcript is also required
3. Documentation of a recent (within the past year) physical examination
4. Documentation of current certification in CPR and First-Aid
5. Completion of the Program Technical Standards Form
6. Chemistry 121, 151, or 161 at Eastern Washington University or the equivalent
7. A short essay specifically addressing the following points
   - Brief autobiography
   - Your preparation for, and ability to handle emergency situations
   - Indications of your organizational skills and how those skills will help lead to completion of the program
   - Your overall academic and career goals
   - Past experiences in the field of Athletic Training
8. A list of at least two references (name, phone number, address) regarding both academic and work abilities
9. A minimum of 20 hours of experience in the field of athletic training (only 10 of which can be completed in the EWU Athletic Training Room)

Two Year Program Requirements
The initial review of the applications will be based on the applicants meeting the following minimum requirements:
1. A minimum GPA of 2.75
2. Submission of a complete (all required materials included), application postmarked on or before the application deadline date.
In addition to the above, transfer students must also complete:
1. Minimum GPA of 2.5 in Anatomy and Physiology
2. 400 hours under direct supervision of a Certified Athletic Trainer while in college (verified on the proof of hours form)
