CURRENT RESEARCH

Rea, Jay Weston, and Charles V. Mutschler. "Eastern Washington University: A History." Research is under way for a history of the university which will place it into the larger context of the development of higher education in Washington State.

Mutschler, Charles V. I am currently editing an account of a trip from Manito (outside Spokane) to Chicago on a livestock train during the 1930's. This is a combination of a journal kept by the man who took the trip, and his postcards and letters to his wife and parents.
