GRADUATE PROGRAMS

MASTER OF PUBLIC ADMINISTRATION

Student Learning Outcomes—students will:

• demonstrate an ability to develop professionally through reflective analysis of employment and educational experiences;
• articulate and apply a philosophy of public service administration practice;
• lead and manage in public governance;
• participate in and contribute to the public policy process;
• analyze, synthesize, think critically, solve problems and make decisions;
• communicate effectively and interact productively with a diverse and changing workforce and citizenry.

The Graduate Program in Public Administration (PADM) is designed to provide widely varied educational opportunities in the fields of public and not-for-profit management. Graduate study opportunities are available for those currently employed as well as for recent graduates seeking a career in the public service. Both full-time and part-time study programs are available on a degree and non-degree basis. Students in PADM are encouraged to become aware of the public service environment, the values that guide public service and the critical and analytical skills necessary to formulate, implement and evaluate public service decisions.

Program faculty, all of whom hold doctoral degrees and have public service management experience, have been selected from the several academic areas most pertinent to public sector applications. Adjunct faculty are highly trained, qualified and experienced academics and practitioners.

Alternatives offered include a master’s degree in public administration (60 quarter credit hours), several types of dual degrees (MBA/MPA, MSW/MPA, MURP/MPA), a Public Management Development Certificate Program (as few as 16 credit hours) and, in cooperation with the Health Services Administration program, a graduate Health Services Administration Certificate Program as a specialization in the MPA program (20 credit hours).

Students interested in any of these alternatives should contact the Director of PADM for further information.

Scheduling
To make the PADM courses more accessible to those employed full-time, all coursework is offered at the Riverpoint Campus, either during weekday evening hours or on weekends.

Assistantships
Paid graduate assistantships are often available. Information and application forms are available from the program office. Applications for academic year assistantships should be completed and returned to the PADM office no later than June 1 preceding the academic year for which the student is applying.

Applying for Admission
In order to apply for admission to the MPA program, one must fill out EWU’s graduate application form and send to the MPA office: 1. a current résumé; 2. a short career plan essay; and 3. three letters of recommendation.

The EWU Graduate Studies Office collects a $50 application fee. No additional fee is charged for application to the MPA program.

Application Deadlines
Priority consideration for admission will be given to applicants who meet the deadlines below. In order to meet the deadlines, 1. all of the application steps listed in the above paragraph must be completed, and 2. all admission requirements must be satisfied (including background requirements).

Priority Admission Deadlines
fall quarter:  May 1 spring quarter:  February 1
winter quarter:  November 1 summer quarter:  April 1

Admission Requirements
Based on the standards described below, students are admitted upon the recommendation of the director of PADM. The director’s recommendation will be sent to the Dean of Graduate Studies. That dean will then notify the student, in writing, of his/her admission or rejection. Applicants may seek admission on the basis of 1. their bachelor’s degree work, 2. completion of another master’s degree or 3. their work experience (if they can demonstrate a least 10 years of progressive responsibility in a related profession). Admission procedures and requirements are the same for the MPA degree and the Public Management Development Certificate programs.

Admission Based on Undergraduate Academic Performance
Students who have completed a bachelor’s degree at an appropriately accredited institution may be admitted to the Graduate Program in Public Administration based on the following criteria: (1) cumulative GPA ≥3.0 in the last 90 quarter graded credits of post-secondary coursework (or its equivalent as computed by the Graduate Studies Office); or (2) recommendation of the director based upon a successful appeal by the student. (This appeals process will be utilized only for students who do not have an undergraduate cumulative GPA of at least ≥3.0.)

Students seeking to utilize the appeals process for admission must directly request reconsideration by the director. In considering that request the director will review such information as: 1. a résumé; 2. letters of recommendation; 3. a combined verbal and quantitative score of 1000 and analytical writing score of 3 on the GRE 4, a GMAT score of at least 500 and/or 3, successful completion of up to 12 credits in PADM courses with a minimum GPA in those courses ≥3.30. After reviewing these new data, the MPA Program Director may admit students under the 10% exception.

Admission Based on Another Master’s Degree
A student may also be admitted to PADM with proof of possession of another valid master’s degree.

Admission Based on Work Experience
Applicants with at least 10 years of increasingly responsible professional experience in public administration may also be offered regular admission. Admission is based on the following: 1. evidence of having obtained a bachelor’s degree from an appropriately accredited institution; 2. an essay demonstrating critical thinking skills; 3. a statement of intent demonstrating a level of knowledge and intellectual maturity appropriate to the proposed field of graduate study; 4. evidence of professional success in Public Administration. No matter which path to admission a student takes, s/he will also need to provide evidence of having met the background requirements for the program (see below).

English Language Requirement
All students from non-English speaking countries must provide evidence of adequate proficiency in the English language before being admitted to the PADM. This requirement may be satisfied by presenting a TOEFL score of 580 (237 CBT, 92 iBT) or its equivalent. A student with a TOEFL score of between 550 and 580 (213–233 CBT, 79–91 iBT) may be granted Provisional Acceptance. In such cases, registration for classes is conditional upon having a program of English language study approved by the director in consultation with the International Education office.

Students with TOEFL scores of 525 to 550, 197–213 CBT, 71–78 iBT, may be admitted to the university as post-baccalaureate students (i.e. Graduation Preparation). As post-baccalaureate students they may register for classes and demonstrate their ability to do the work required of MPA students. They should be aware of the EWU regulation on previous graduate credit which permits no more than 12 pre-admission credits to be counted toward a graduate degree. The director of PADM will determine whether they should be granted admission to the program.
based in part upon their work as post- baccalaureate students. Students with scores below the aforementioned ones may be provisionally admitted to the university as post-baccalaureate students. Students may take up to 12 pre-admission credits to be counted toward a graduate degree after graduate admission and with program approval; and must enroll in English Language Institute (ELI) until completion of Level 3.

The Test Drive
In the test drive applicants will be allowed to take up to 12 quarter credits with permission of the director while completing all admission requirements. The letters of recommendation and career plan summary are not required prior to enrolling in the first 12 credits of classes. It will be necessary to complete the Application for Admission to a graduate program and submit it to the Graduate Studies Office with the appropriate fee. Documentation of completing a bachelor’s degree will also be required. The application should be signed by the MPA Program Director indicating provisional acceptance. In order to be admitted to the program, it is necessary to complete the background requirements (see below), so in addition to the 12 credits in MPA courses in the test drive, students will need to complete any background courses they have not already completed.

Advancement to Candidacy
Prior to completing 30 credit hours of coursework, a student is expected to file for advancement to candidacy. When the candidacy form is filed and accepted, it represents an official statement regarding what courses a student must complete to obtain the MPA degree. Filling out the form involves listing all courses completed, all in progress and all those yet to be taken to complete the courses required for the degree. It also involves identifying two PADM faculty members who will sit on the oral exam committee. The chair of the committee will be the advisor for the student’s research project or thesis. Students may indicate preferences for who serves as the chair and second member of the committee, but the final decision regarding which faculty members are on the committee will be made by the MPA program director.

Comprehensive Examination
Every student seeking a Master of Public Administration degree must take a comprehensive written examination.

The first step toward the comprehensive examination is filing for candidacy. When the student files for candidacy, he or she will designate the term and year in which the student anticipates taking the Comprehensive Examination and complete his or her MPA degree.

The second step is to complete all the designated core courses (except PADM 601 and PADM 602) in the MPA curriculum, and take all or a majority of their elective courses, such that after they finish PADM 601 MPA Capstone and PADM 602 MPA Portfolio, outlined below, they will have completed all of the degree requirements for the MPA degree.

The third step is to concurrently enroll in PADM 601 MPA Capstone and PADM 602 Portfolio during their final term in the MPA program. Both the Comprehensive Examination and the Portfolio will be examined by the MPA faculty.

The Comprehensive Examination will cover the following materials: 1. questions designed to test the student’s understanding and comprehension of relevant MPA knowledge-bases and competencies in the Core Curriculum of the MPA program, and 2. at least one question designed to test the student’s ability to apply the MPA knowledge-base and competencies they have learned to a case-study situation drawn from actual administrative practice. Both PADM 601 and PADM 602 are graded on a pass/fail basis. Should it be necessary to schedule a retaking of the examination, the procedures shall be the same with the exceptions noted under Graduate Affairs Council policy 13.12. A copy of Graduate Affairs Council Policies is available for reading in the main Public Administration office, EWU, Phase One Classroom Bldg., 668 N. Riverpoint Blvd., #325.
Cooperation with Other Graduate Programs
With the permission of the MPA director, courses offered by other graduate programs may be counted toward the 20 credits elective requirement. Master’s degree programs that frequently offer courses considered appropriate as electives in the MPA program include: MURP (Planning), MPH (Public Health), MSW (Social Work), Master of Science in Communication Studies and MBA (Business Administration).

Some of courses from the planning program that may be used as electives in the MPA program include:

Y Grades in PADM Courses
Y grades are given for coursework that was not expected to be completed by the end of the quarter.

- PADM 603 Internships in Public Administration (8 credits max)

Public Service Learning Field Experience (2 credits)
Students in the MPA program are expected to evidence an interest in public service. The public service learning field experience requirement is designed to give course credit for field experience involving 100 hours of voluntary public service.

Students who can provide documentary evidence of having engaged in 100 hours of voluntary public service prior to admission to the program may be allowed to substitute a 2 credit elective course for this requirement.

Internships (optional) (2–8 credits)
Although internships are not a required part of the MPA curriculum, they are strongly recommended for all MPA students who have not had significant public sector administrative experience. The internship is intended to provide a major professional learning experience for the student, including a realistic exposure to a complex organizational environment. The intern is expected both to contribute to the agency by helping to solve problems for the agency and to learn from and about the agency. Normally an internship should be arranged after finishing at least 30 credit hours of coursework in the program. The standard requirement for a 4 credit internship is 20 hours of work per week for one quarter. No more than 8 credits of internship may be counted toward graduation. Academic credit is obtained by registering for PADM 603. Documentation of the work experience is required.

PUBLIC MANAGEMENT DEVELOPMENT CERTIFICATE
The Public Management Development Certificate Program is available to students who are interested in engaging in study in public administration but not in commitment to an entire MPA program. Both a basic certificate (16 credits) and an advanced certificate (36 credits) are available. Course offerings within the basic program provide an introduction to the concepts and skills associated with public sector administrative responsibilities. The advanced certificate program permits further development in the fundamentals of public sector management. Admission to the certificate program is upon the same basis as is admission to the MPA program.

DUAL DEGREE PROGRAMS

MPA/MBA
A dual-degree program with the Eastern Washington University Master of Business Administration is available through which one can obtain both an MPA degree and an MBA degree. In this program of study, required courses for one degree program serve as elective courses in the second program, thereby reducing the number of credits required for each of the degrees. Any student interested in this dual degree must apply and be admitted to both the Master of Public Administration and the Master of Business Administration Programs. Individuals who have already started one of the two master’s programs can work toward the MPA/MBA by qualifying for admission to the other program. Students complete 73 hours of coursework in addition to those background courses which are prerequisite to either graduate degree program. The average progress requires about eight quarters of full-time study to complete both degrees. Interested parties should contact the PADM director and MBA director at EWU, Phase One Classroom Bldg., 668 N. Riverpoint Blvd., #325, 509.828.1248 or 509.828.1232. For information on the MBA program see Business Administration.

MPA/MSW
A dual-degree program with the Eastern Washington University Master of Social Work program is available through which one can obtain both an MPA degree and an MSW degree. The number of credits needed to graduate with the MPA/MSW dual degree is at least 118 for students in the two-year MSW program and 83 credits for students in the advanced standing MSW program. The dual-degree program can be completed in eight to nine full-time quarters by students in the two-year MSW program and in six quarters by students in the advanced standing program. Interested parties should contact the PADM director and MSW director in 203 Senior Hall, Cheney, Washington 99004-2431, 509.359.6485. For information on the MSW program see the Master of Social Work section.

MPA/MURP
A dual-degree program with the Eastern Washington University Master of Urban and Regional Planning Program is available through which one can obtain both an MPA degree and a MURP degree. In this program of study, required courses for one degree program serve as elective courses in the second program, thereby reducing the number of credits required for each of the degrees. Any student interested in this dual degree must apply and be admitted to both the Master of Public Administration and the Master of Urban and Regional Planning Programs. Individuals who have already started one of the two master’s programs can work toward the MPA/MURP by qualifying for admission to the other program.

Admitted students must complete 91–92 credits to earn both degrees. One comprehensive examination is required. The complete policy on the MPA/MURP is available in both program offices and in the Graduate Studies Office. Eight quarters of full-time study are typically needed to complete both degrees. Interested parties should contact the PADM director and MURP advisor, Department of Planning, EWU, Phase One Classroom Bldg., 668 N.
