Please join us at EWU's 2nd Annual Strategic Plan Conference, **A Big Start - An IncREDible Future**, to celebrate the outstanding progress that has been made in the first year of the Strategic Plan and look ahead at year two actions.

The past year has been a year of success and we are proud of the hard work and dedication our staff and faculty have put into implementing the strategic plan in order to impact the campus community in a positive way. This conference is a chance for you to see all that has been accomplished and what we have in store for this coming year.

**A Big Start - An IncREDible Future** will begin with a luncheon featuring keynote speaker, Dr. Vince Tinto, a leading national scholar on student success and author of "Completing College: Rethinking Institutional Action." The luncheon will be followed by breakout sessions and an open-house reception with poster presentations from faculty, staff and students that highlight the many achievements accomplished during the first year of the Strategic Plan.

**Thursday, September 26th**
