

ROC is looking for a Physical Therapist to join our team! To learn more about ROC, what it's like to work here and our benefits package, [check out this link](#).

Physical Therapists receive additional benefits such as semi-annual productivity bonuses (up to \$10,000 every 6 months) in addition to a competitive base salary, up to \$10,000 in student loan repayment, up to \$5,000 in relocation assistance, up to \$2,500 annually in continuing education funds, and license reimbursement.

As a Physical Therapist, you would be crucial to our mission because you can help improve patients' lives by improving their mobility and decreasing pain. On any given day, you could work with an athlete post-op to ensure they get back to the level of function they need or work with a new patient on a treatment plan for a unique orthopedic issue.

Be a part of our family and contribute to your community in a real and tangible way. Apply now to be a part of something fantastic!

For more information about the position, check out our [job posting here](#).
