

Merging the Frontiers of Knowledge

AVATAR

One Possible World?

Panelists: | When:

Dr. Rebecca Brown (Biology)
Nigel Davies, MSc (Geology)
Dr. Andrés Aragoneses (Physics)

Thursday, March 4th, 7:30pm

Zoom link: <https://ewu.zoom.us/j/96741926765>

YouTube link: <https://youtu.be/yqAQFrSDamE>

Merging the Frontiers of Knowledge will visit Pandora, one of the moons of Polyphemus from the movie Avatar. Panelists will engage in a conversation about different aspects from the movie, from its mysterious minerals, to its fantastic creatures. After a brief presentation from the panelists, the floor will be open to the audience.
