## PROFESSIONAL EMPLOYMENT

**University Hearing and Speech Clinic, Eastern Washington University**  
**September 2008-present**

**Clinical Educator and Instructor**, Provide supervision and clinical education to Master's students in the setting of a University Hearing and Speech Clinic. Assist in the development of skills to bridge academic knowledge into the clinical setting. Coordinate the Telephone Equipment Distribution program in Eastern Washington by evaluating and providing services to assist the speech disabled to have independence with telecommunication access. Additional responsibilities have included providing assessment and therapy services within Head Start, as well as hearing screenings.

**Spokane Public Schools, Spokane, WA**  
**January 2011-June 2011**

**Speech Language Pathologist-Long Term Substitute**, Provided speech and language services to schools aged children in individual and group settings. Acted as a member of an interdisciplinary team to assist classrooms with utilizing augmentative communication devices to enable those with severe communication impairments the ability to communicate with peers and teachers.

**Rehab Without Walls, Spokane, WA**  
**May 2009-2010**

**Speech Language Pathologist**, Provided speech, language, cognitive communication and dysphagia services to adults and adolescents within the home setting. Act as a member of a comprehensive interdisciplinary team. Provide education and training to staff and family members to facilitate functional recovery in a familiar environment.

**St. Luke's Rehabilitation Institute, Spokane, WA**  
**January 2000-September 2008**

**Speech Language Pathologist, Lead** Provided evaluation and remediation services to adults within the acute care setting with a variety of communication disorders including aphasia, dysarthria, apraxia, and dysphagia. Regularly completed Videofluoroscopic Swallow Studies in conjunction with the Radiology Department. In addition, was Lead Therapist for Valley Hospital and Medical Center, supervising employees and assisting the manager with a variety of management tasks.

**Bonner General Hospital, Sandpoint, ID**

**June 1998-January 2000**

**Speech Language Pathologist**, Provided evaluation and remediation services of adults and children in inpatient, outpatient, home health and skilled nursing settings.
